

AVON LAKE CITY SCHOOLS SUMMER JUMP START 2024

The Avon Lake City Schools will once again be offering a “Jump Start” program to help students strengthen necessary skills to begin the 2024-2025 school year with a head start!

This program will be an English Language Arts and Math skills based program for students entering grades K-8.

Please note the purpose of the program is to cover some basic skills to help students be successful in the grade level/courses for next school year. This is not meant as a substitute for extended year services offered by the special education department or for any credit recovery programs. There will also be a social-emotional component for students.

SCHEDULE: **Grades K-8 at Troy Intermediate School**
7 Days Total; August 7-9 & 12-15, 2024
8:30 AM - 11:15 AM

Students may also have a short recess break, weather permitting.

LOCATION: All classes for grades K-8 will be at Troy Intermediate School.

COST: **\$95 per student**
Note: In past years, we were able to offer this program free of charge due to COVID relief funding (ESSER). School districts have no ESSER funding beginning July 1, 2024. As a result, the fee was put into place to help defray a small portion of the cost of the program. The fee will be added to each student’s school fee account in August, 2024. Payment is not expected at time of enrollment.

REGISTRATION:

- Registrations are accepted on-line starting April 17, 2024. [Registration Link](#)
- Registration is open to any Avon Lake City Schools student.
- Registration ends Thursday, June 7, 2024.
- Additional information will be sent to participants before the program begins on August 7th.

ATTENDANCE:

- Students are encouraged to attend each session.
- Daily attendance will be taken.

DISCIPLINE:

Students are expected to comply with the Avon Lake City Schools Code of Conduct. Any violation of the code may result in removal from the program.
