

Avon Lake City Schools Foundation

Grant Application

The Board of Trustees is pleased to announce its Annual Grant and Mini-Grant award programs for the 2010-2011 school year. The purpose of the Avon Lake City Schools Foundation is to help finance projects that enrich and enhance student learning beyond the scope of normal required school expenditures and the required course of study. Different areas include: *Academic Excellence, Athletics, Fine & Performing Arts*, along with *General Academic Enrichment Programs and Activities*. The responsibility of awarding the grants rests with the Board of Trustees of the Avon Lake City Schools Foundation. There are two types of grants that are awarded: Annual Grant and Mini-Grant.

Annual Grant

The Annual Grant figure is a result of the interest earned on the principal amount of tax-deductible contributions made to the Foundation from the start of its existence. Annual Grant applications must be received by April 30, 2010. These grants can be written for any dollar amount ~ this year, the Board of Trustees has over \$13,000 available in grant money.

The Board of Trustees will be meeting on Wednesday, May 26, 2010 to select recipients of our Annual Grant. All applications submitted will be reviewed at the beginning of May – if your application does not meet our guidelines, you will be notified at that time. Also, applicants may be required to attend the May 26th evening meeting to give a short (5-10 minute) presentation to the Board of Trustees. We will contact these applicants at the beginning of May to make those arrangements, if necessary. **Please note funds awarded for the 2010-2011 school year must be used by the end of the 2010-2011 school year. Funds not used by June 30, 2011 will be forfeited and returned back to the Foundation.** If your program is awarded funds, you are required to submit a final typewritten evaluation of your program within thirty (30) days of its completion. The evaluation will cover the program's implementation, progress and overall impact on students. **This final evaluation report must be submitted by June 30, 2011 or allocation of future grants will be jeopardized.** Recipients of the Annual Grant awards are encouraged to attend the Board of Education Meeting to be held on June 8, 2010 to receive their grant.

Mini-Grant

Mini-Grant applications are available for the 2010-2011 school year and will be accepted beginning June 7, 2010 on a first-come, first-serve basis. They may be awarded at any time during the school year if funding is available. These are awarded monthly (beginning September 2010) until all funds have been dispersed. All of these grants follow the same criteria as the Annual Grant. A Trustee of the Foundation will notify Mini-Grant recipients of the decision within 48 hours of the date of the board meeting at which it is reviewed.

Attached you will find the application to be used for your grant proposal and the rules to be followed. Use the same application for both the Annual Grant and the Mini-Grant. Please send your completed application to:
