

# Avon Lake City Schools Foundation

The Avon Lake City Schools Foundation (ALCSF) awards grants to educators and parents alike who initiate non-required school programs that are in the following categories: Athletics, Fine & Performing Arts, Academic Excellence, and General Fund. Also, a scholarship of \$1,000 is awarded each year to a graduating senior pursuing a career in education (the B.J. Walker Memorial Scholarship).

How can you help? Please support the ALCSF with a financial donation! Your **tax-deductible** contribution will be deposited in our endowment fund to be used to help enhance the education of the students of Avon Lake City Schools. Your donation will never be spent – only the interest earned will be used for our grants. *Our success depends on the contributions that we receive.*
