Early entrance students will not be considered for full-day kindergarten until early entrance criteria has been met in June. Acceptance will be determined by the vacancies available at that time.

I understand that enrollment will be done by a lottery drawing if there are more than 22 applicants at any given school. Should enrollment exceed the space available, a district-wide waiting list will be created for the possibility of an opening at another school. Parents will be notified in writing of their child's acceptance to the program, or if need be, their child's rank on the waiting list. **This completed application must be returned to the building principal by Thursday, March 20, 2008.**

I also understand that a deposit is due by **Friday, May 23, 2008**. If your student is eligible for the Free Lunch Program, your deposit is **\$300.00**; if your student is eligible for the Reduced Lunch Program, your deposit is **\$450.00**. The deposit amount for all other students is **\$600.00**. Refunds of the deposit will only be considered due to extreme and unforeseen circumstances. Please do not remit this payment until you are notified of your child's acceptance to the program.
