

Avon Lake City Schools Foundation

P.O. Box 231

Avon Lake, Ohio 44012

Dear Parents and Guardians,

The Avon Lake City Schools Foundation is kicking off its *5th Annual 10 Campaign* fundraiser. For the past 30 years, we have raised funds and given grants which have enriched the educational experience of thousands of students. We need every family's support to help us continue this important work!

Every parent/guardian is asked to contribute **\$10 per student in their household.**

Proceeds raised from the **10 Campaign** provide immediate grant funding for educational enrichment opportunities that are not covered by the state funded curriculum. The Foundation has designated funds raised from this year's **10 Campaign** for grants that incorporate or pilot the use of innovative technologies. **10 Campaign funds are available to all grade levels.**

For 30 years the Avon Lake City Schools Foundation has provided over **\$246,000** to the school district for educational enrichment programs and scholarships that enhance excellence. As state and local funds shrink, the ability of the Foundation to fund enrichment has never been more important.

Join us in making an **investment** in our children's futures. *Please send \$10 per school-age child or whatever best suits your budget today.*

Checks are accepted and can be **sent to your child's school or mailed to ALCSF, P.O. Box 231, Avon Lake, Ohio.** Every gift counts as we work together to enhance our children's education – **Thank YOU for your support!**
