

Avon Lake City Schools Foundation

The Avon Lake City Schools Foundation (ALCSF) awards grants and scholarships to educators and parents alike who initiate non-required school programs that are in the following categories: Athletics, Fine & Performing Arts, Academic Excellence, and General Fund. Also, a scholarship of \$1,000 is awarded each year to a graduating senior pursuing a career in education (the B.J. Walker Memorial Scholarship). To date, we have awarded over \$67,000 in grants and mini-grants.

How can you help? Please support the ALCSF with a financial donation! This can be in the form of a one-time gift or an automatic deduction from your paycheck. Your **tax-deductible** contribution will be deposited in our endowment fund to be used to help enhance the education of the students of Avon Lake City Schools. *Our success depends on the contributions that we receive.*

Please detach the form below and return to Ginny Hansen, Business Office.
