

*Avon Lake City Schools*  
LEAPS Preschool Program

---

## LEAPS Supplies

1 Art Box – labeled with your child’s name.

1 Pair of FISKARS ® scissors

1 Glue Stick (Optional for Mrs. Flanigan’s classroom)

1 Regular Size Bottle of Elmer’s Glue

1 Small Box of Crayons

1 Box of Kleenex

Also...

- ☆ A change of clothes, as well as diapers/refastenable pull ups if necessary.
  
- ☆ A *backpack* for your child to transport his/her things to and from school. It should be big enough to fit his/her, yet small enough that he/she can carry it. Many backpacks seem to be made with several zippers, pouches, etc. Try to find something simple – something your child can manipulate fairly independently. We recommend you allow your child to try it out in the store before you buy it.
  
- ☆ *Show and Tell* is part of each student’s week. In addition to sending in the show and tell item, on the day your child is selected to bring show and tell, please send in a note card with information about the show and tell (e.g., what it is, where/who did your child get it from, any other information that you think your child will want to share about this item, etc) so that the teachers can facilitate the discussion about his/her show and tell item if needed (great for those students working on expressive language skills).
