Darnella Aridge - Emergency Services Coordinator:

**Home Energy Assistance (HEAP)** – HEAP was created to provide a one-time utility payment eligible households with disconnection or threat of disconnection to their home energy source. Winter and summer HEAP programs provide financial assistance to eligible individuals whose connection to heating or air conditioning are threatened.

**How do I apply?**

You can apply in person at your local energy assistance provider or by mail. To apply, you will need to complete the Energy Assistance Application and submit copies of the following documents:

- a copy of your most recent energy bills
- a list of all household members (include birth dates and Social Security numbers) and proof of income for the last 90 days for each member (12 months preferred)
- Proof of citizenship or legal residency for all household members.

**Percentage of Income Payment Plan (PIPP)** - Percentage of Income Payment Plan that requires eligible customers to pay a portion of their household income each month to maintain services. Under PIPP Plus, if you heat with gas, you pay 6% of your monthly household income to your gas company and 6% to your electric company. If you heat with electricity, you pay 10% of your monthly household income. Our HEAP staff or the utility company will inform you of our PIPP Plus installment

**How do I apply?**

You can apply in person at your local energy assistance provider or by mail. You will need to complete the Energy Assistance Application (English or Spanish), and submit copies of the following:

- a copy of your most recent energy bills, gas and/or electric,
- a list of all household members (include birth dates and Social Security numbers) and proof of income for the last 90 days for each member (12 months preferred)
