

MITEY MITES - LEARN TO PLAY HOCKEY PROGRAM

WANT TO GET STARTED IN HOCKEY?

TRY NORTH OLMSTED HOCKEY CLUB MITEY MITES!

For boys and girls ages 8 and under, the North Olmsted Hockey Club offers a Mitey Mite learn to play hockey program. The program centers around developing solid skating skills and slowly introduces stick play.

No experience or equipment is required to get started. If you have your own skates that is great, if not we will provide them free of charge.

Mitey Mites sessions are every Sunday starting in October (first session is October 7) at 11:45AM. Come out and try it for free. If your child wants to participate the cost is \$40.00 per month (starting in November) payable at the first session of each month. The program runs through February.

You can register at the first session and get started immediately. It's never too late. Hope to see you at the rink.

Remember, A Child on Ice Is Seldom in Hot Water!
