NCHM 056K - Dr. Silvestri's Science Magic

Magical Science!! Science Magic show for all ages. Witness as a gummy bear disappears into a dazzling display of fireworks. Be astonished as elephant toothpaste explodes high into the air. Be astonished as a 3,000-year-old genie is summoned from a bottle to reveal the mysteries of the ancient universe. Answer burning questions such as: Can swimming eggs fly? What are Frankenstein's teeth made of? Why are goopy goobers so goopy? Science can be fun and even entertaining!
