

## INTRODUCTION

Welcome to Camp Spirit! This summer, the West Shore Family YMCA will be introducing a sports and fine arts combination camp - bringing you the best of last year's separate sports and fine arts camps! Campers will have the opportunity to explore their creativity through themed art projects and work on improving fundamental sports skills and partake in friendly competition. Each morning campers will choose their activities for the day - whether they choose all sports, all arts, or a combination of both is up to them! Camp Spirit is a place where every child matters, where campers have an opportunity to put values into action, and where children will create memories that will last a lifetime!

## IMPORTANT INFORMATION

Camp Spirit is open to children ages 5-12. Drop off will begin at 9:00 am every day and campers must be picked up by 4:00 pm. There is no before or after care provided.

Swim time in the pool will be offered three times a week. All swimmers will be required to take a lifeguard-supervised swim test. Any child who does not pass the swim test must wear a life jacket in the pool.

To sign up, visit the front desk or register online!

## SPORTS

Each week of camp will focus on a different sport. Sports activities will include age appropriate speed and agility training, drills and games that will build fundamental sports skills, and friendly scrimmages that build teamwork and foster friendly competition.

## ARTS

Every week of camp will follow a different theme that will encourage campers to explore their creativity through fun and engaging art projects. Campers will create their own super hero stories, take home their own magic wands, move their bodies to music and stretch their imaginations.
