

# School Closing Information 2019-2020 School Year

## To Parents and Guardians:

When it becomes necessary to close Avon Lake City Schools due to inclement weather or other causes, the CodeRED system will be used whenever possible. Please continue to monitor the local radio and television stations, as they are also contacted requesting they include Avon Lake City Schools on their school closing lists.

Once operational later this fall, we will also be sending school closings via text messages to parents, students and staff who have signed up to receive text messages through SchoolMessenger. We will be sending a “test” text on November 4, 2019 at 3:00 p.m. so please be sure to register before then. Instructions on how to sign up for text messages can be viewed in the “News” section of our school website.

School closings are also posted on our district website: [www.avonlakecityschools.org](http://www.avonlakecityschools.org). Parents and students are reminded not to call schools or school officials with questions about school closings. Normally, the decision to close school is made between 5:00 a.m. and 6:00 a.m.
