Connect to a Cause Day

Thursday, September 17, from 8:00 am – 8:00 pm.

The Community Foundation of Lorain County is hosting its first-ever **Connect to a Cause Day**, a Crowdfunding Campaign, celebrating their 40th-anniversary of service to this community. You will have the chance to support non-profit organizations in Lorain County that are significant to YOU!

On Thursday, September 17, from 8:00 am to 8:00 pm funds will be raised to impact our community directly. On this day, the **Avon Lake City Schools Foundation** will have the opportunity to receive additional dollars based on the amount raised. We ask that you consider donating to **Avon Lake City Schools Foundation** on September 17 through **[peoplewhocare.org](http://peoplewhocare.org)** to help us leverage additional potential dollars.

The **Avon Lake City Schools Foundation** was founded over 30 years ago to raise funds to enrich the educational experience of the students in the Avon Lake City Schools. In the past 34 years, the ALCSF has provided over \$300,000 in grants to the district. Recent grants have made possible for the district: 3D printers, wellness equipment, VEX Robotics kits, instruments for music classes, and a renewable energy science lab.

Giving is the perfect way to assist the **Avon Lake City Schools Foundation** plan for today and continue to serve the students in our community tomorrow.
