KINDERGARTEN REGISTRATION FOR THE UPCOMING 2024-2025 ACADEMIC YEAR

If you are interested in enrolling your child for kindergarten, ***your student must be 5 years of age ON OR BEFORE August 1 of 2024*** to register for the 2024-2025 school year.

Registration is not complete until the Registrar receives all required registration documentation. At this time, you have two ways to submit this documentation. You can either upload the documents via the registration portal (preferred) or you may send your documents to the Office of the Registrar via email, USPS or fax.

Your child will not be considered registered until ALL **required documents** are received. You will be contacted if the documents received are indecipherable or otherwise unacceptable. You will receive a separate email from the Registrar once your submission has been approved and registration is considered complete.
