

Avon Lake's Got Talent

2020 Virtual Talent Show

1. All videos **should be filmed HORIZONTALLY!** This is going on Youtube! NOT Tik Tok or an Instagram story!
2. When you film make sure:
 - a. You have good lighting! Go outside, get some lamps, make use of that RING light you use for Tik Tok videos! Do what it takes to make sure we can SEE YOU!
 - b. Have good audio! If you have AIRPODS use them! Make sure there is no BACKGROUND noise. Basically set up a good stage for your audience.
 - c. Your video should be no longer than THREE minutes. If you MUST have it longer, please email waltersa@alstudent.org
 - d. There should be minimal editing of your video (unless your talent IS video editing).
 - e. Which brings me to all talents should be LEGIT. Don't film yourself "playing" the piano and it is just you going through the motions to someone else's talent.
3. What sort of talent are we looking for? All of them!!!
 - a. Are you an artist and you paint? Do a time lapse video of you painting (you can add background music and edit this video) and show us your masterpiece
 - b. Are you an aspiring film director/editor? Create a short video that showcases your talent
 - c. Dancers, singers, musical instrument players.
 - d. Jugglers, magicians, rappers, beatboxers, comedians, gymnasts....
 - e. Athletes--- maybe you have great dribbling skills, can throw the baseball really fast, can jump hurdles like a pro.... Maybe you can squat a lot of weight?
 - f. Do you take awesome pictures? Create a montage video of all your pictures?
 - g. Whatever you love to do--we want to celebrate it! Don't worry, Avon Lake community will love it!
 - h. You don't have to go on alone-- as long as you are following all social distancing rules-- submit a group talent...
4. How do you enter the Talent Show?
 - a. Once you film your video fill out the Avon Lake's Got Talent Google Form (parent permission is required) and upload your video. IF your video file is too large for the Google Form, email waltersa@alstudent.org.
 - b. Here is the [Google Form Link](#)
5. Deadline to Submit the Video is **Friday, May 15th**
6. Avon Lake's Got Talent will air on Friday, May 22nd at 7pm on Learwood News Youtube channel. Links will also be sent out using social media, posted on Avon Lake website and sent out via google classrooms.
