For over 70 years, the Avon Lake Youth Baseball Federation (ALYBF) has provided recreational baseball and softball operations to the youth of Avon Lake. Over those years, several capital projects were completed including the creating of Weiss Field, constructing the concession stand at Weiss Field, and several city-wide field improvements. In January 2017, a collaborative effort between the ALYBF and the City of Avon Lake Recreation Department allowed the youth baseball/softball operations to be operated by the City. As a testament to the ALYBF mission to promote amateur baseball and softball to all the youth of Avon Lake, this Scholarship is created to assist those participating youth with post-high school plans. As always, the ALYBF holds true to its mantra: *making memories that last a lifetime for the youth of our community.*
