1. ATHLETIC CODE ACKNOWLEDGEMENT/AGREEMENT

GENERAL STATEMENT

All students are encouraged to participate in our Interscholastic Athletic Program. By joining our program, however, certain standards and expectations are required of students. Students must seriously accept the responsibility and privilege of representing our school and community. This is achieved by displaying sportsmanship, ethics, and integrity above which is required throughout the school day.

PLEASE NOTE: For the purpose of the Athletic Code, offenses related to Drugs, Alcohol, Tobacco and Vandalism are cumulative throughout a high school career. The period of eligibility begins on the first day of practice freshmen year for fall sports and concludes without interruption (this includes summer) upon the final competition of your senior year.

AS A STUDENT ATHLETE: I understand and agree that participation in athletic activities is a privilege that may be withdrawn for violations of the Athletic Code.

I have read the Athletic Code and thoroughly understand the consequences that I will face if I do not honor my commitment to the Athletic Code.

I have read the Athletic Code and agree to its terms. I understand this is binding while I am a student in the Avon Lake City School District.

AS A PARENT/GUARDIAN/CUSTODIAN: I have read the Athletic Code and understand the responsibilities of my son/daughter as participant in athletic activities in the Avon Lake City School District. 4. PARENT COACH COMMUNICATION

Parent-Coach Relationship - Both parenting and coaching are extremely difficult tasks. By establishing an understanding of each position, we are better able to accept the actions of the other and provide an even greater benefit to the student athletes. As parents, when your child(ren) becomes involved in our program, you have the right to understand what expectations are placed on your child. This begins with clear communication from the coach of that program.

Communication a Parent Should Expect From the Coach –

1. Philosophy of the coach.
2. Expectations the coach has for your child as well as all the players on the team.
3. Locations and times of both practices and games.
4. Team requirements (i.e. fees, off-season conditioning and special equipment).
5. Procedure if your child becomes injured during participation.
6. Discipline that results in the denial of your child's participation.
7. An overview of the Athletic Code.

Communication a Coach Should Expect From Parents –

1. Concerns expressed directly to the coach.
2. Notification of any schedule conflicts well in advance.
3. Specific concerns in regard to the coach's expectations and/or philosophy.

As your child(ren) becomes involved in the Athletic Program at Avon Lake High School, they will

experience some of the most rewarding times in their lives. It is important to understand that there may be times when things do not go the way you or your child had hoped. At these times discussion with the coach is encouraged.

Appropriate Concerns to Discuss with Coaches –

1. The treatment of your child: both mentally and /or physically.
2. Concerns and /or questions of your child's behavior.
3. Ways to assist your child to improve.

It is very difficult to accept your child not playing as much as you may have hoped. Coaches make judgment decisions based on what they believe to be best for all student athletes involved. As you have read from the list above, certain concerns can and should be discussed with the coach. Other issues, such as those on the following list, must be left to the discretion of the coach.

Issues Not Appropriate to Discuss with Coaches –

1. Playing time
2. Team strategy
3. Play Calling
4. Other student athletes

There are situations that may require a conference between the coach and the parent. These are to be encouraged. It is important that both the parent(s) and coach have clear understanding of the others position. When these conferences are necessary, the following procedure should be followed to assist in promoting a resolution to the issue of concern.

If You Have a Concern to Discuss with a Coach, the Procedure You Should Follow –

1. Call to set up an appointment. (ALHS telephone number is 440-933-6290)
2. If the coach cannot be reached, call the Director of Athletics, Brent Schremp. ALCS Athletic Department telephone number is 440-933-5164. He will set up the meeting for you.
3. Please do not attempt to confront a coach before or after a contest or practice. These can be emotional times for both the parent(s) and the coach. Meetings of this nature do not promote a resolution.

The Next Step - What Can the Parents Do if the Meeting with the Coach Did Not Provide a Satisfactory Resolution

1. Call and set up an appointment with the Director of Athletics and the coach to discuss the situation.
2. At this meeting the appropriate next step can be determined.

Statement of Philosophy

The Avon Lake City Schools Athletic Program is built around the philosophy that dynamic athletic programs are vital to the educational, social, and emotional development of the student. We believe that the athletic program should provide a variety of experiences to aid in the development of favorable habits and attitudes in students that would prepare them for adult life in our society.

Athletics plays an important role in the life of the Avon Lake High School as the young people involved learn lessons in sportsmanship, teamwork, competition and how to lose gracefully.

The athletic program shall be conducted in accordance with existing Board of Education policies, rules, and regulations. Such participation is a privilege that carries with it the responsibilities to the school, to the sport, to the student body, to the community, and to the students themselves. At all times, the athletic program must be conducted in such a way so as to justify it as an educational activity.
