Building Athletic Strong Individual Cheerleaders
CHEERLEADING SCHOLARSHIP
COVER SHEET

- Requirements: 4 year ALHS Cheerleader
Minimum 3.0 Overall GPA
- Please complete the Common Scholarship Application.
- Please compose an essay detailing the teamwork skills and personal qualities you have acquired and improved upon being a cheerleader for Avon Lake High School. For example, how has your experience improved your teamwork skills, perseverance, time management, and personal goal setting? This essay replaces the personal statement from the Common Application.

*** Please know the essay is an important factor in the decision making process. Although grades and involvement are essential, we are looking for your written reflection on the skills (mentioned above) you have acquired through the ALHS Cheerleading program. ***

*** Two \$500.00 scholarships will be available for two senior girls. We will select one cheerleader from the Varsity Football Squad and one from the Varsity Basketball Squad. If you cheer for both squads, we will only consider you for the season you have cheered in the longest. ***
