An orange life vest is shown floating in the ocean. The water is a deep blue with white foam from the waves. The sun is shining from the right, creating a golden glow on the water's surface. The life vest has a white rectangular box with rounded corners in the center, containing text. The vest also has several colorful patches (red, yellow, grey) on its sides.

**A reminder:  
College should  
not be seen as a  
life vest in a sea  
of uncertainty**

**THE WOLFPACK BATTALION**

## **What is Army ROTC:**

- An Army Officer producing program in colleges across the country
- Commissioned as a Second Lieutenant after degree completion
- No commitments until the start of your junior year (unless you accept a scholarship)
- Most four year degree programs are compatible with ROTC
- Taken as elective in conjunction with your other classes and major field of study
- Develops leadership and management skills for Army and Civilian careers

## **What do we do:**

The Wolfpack Battalion recruits, trains, retains, and commissions well-rounded, high quality officers for a career of service to the Nation within the Total Army in the grade of second lieutenant.

We strive to have a program that represents the diversity of all universities the program represents and to be a positive representation of the US Army in our local communities.

# ANATOMY 101: THE COLLEGE APPLICATION

Application  
(essay and fee)

ACT/SAT scores  
\*\*\*if applicable\*\*\*  
Sent by student directly from  
testing websites

Official Transcript  
Sent through Naviance

Letters of  
Recommendation  
if applicable

# HOW TO APPLY TO COLLEGE:

**Student submits application to college(s)**

Common App OR Direct to the College  
Essay may be required

**Student submits blue form(s) to Counseling Office**

1 blue form for EACH college

**ONGOING:**  
**Student meets with his/her counselor**

Set up at least one senior meeting with your counselor.

This is a process, not a one time event.

Counselors will meet with the senior class the first week of school this fall

**Student submits official SAT/ACT scores**

If applicable. Must be sent through [act.org](http://act.org) or [collegeboard.org](http://collegeboard.org)

**Student asks for teacher/counselor letters of recommendation**

If applicable. Do your research first. Teacher/counselor requests & letters are sent through Naviance (NOT COMMON APP)

# SO... WHAT IS COMMON APP?

A single online college application form used by over 900 colleges and universities.

Instead of filling out the same general information—like your address, GPA, and extracurriculars— a dozen times, you only have to do it once.

# Students can create a Common App account at any time... like now!

If you create an account before August 1st, CA deletes any responses to college questions or writing supplements. This is because many colleges change their application year over year. Any invitations to counselors, teachers, advisors, and other recommenders are also removed.

You can plan out things like essay responses but be sure to save those notes somewhere secure outside of Common App.

\*\*\*\*Use a personal email- not an alstudent email\*\*\*\*

## Let's get started!

Welcome to Common App! Please tell us how you will use the system so we can prepare your account. If you are unsure, we encourage you to explore each option before you continue.

# Common App in a nutshell...

- 1-Enter basic info (name, address, school, parent info, etc) activities,
- 2- Add colleges you are applying to
- 3- Add in College Essay (if college(s) requires)
- 4- Answer any additional questions specific to each college
- 5- Review, review, review. Then review again
- 6- Submit... and see your counselor

# Common App Essay Prompts– may vary slightly year to year

1. Some students have a background, identity, interest, or talent that is so meaningful they believe their application would be incomplete without it. If this sounds like you, then please share your story.
2. The lessons we take from obstacles we encounter can be fundamental to later success. Recount a time when you faced a challenge, setback, or failure. How did it affect you, and what did you learn from the experience?
3. Reflect on a time when you questioned or challenged a belief or idea. What prompted your thinking? What was the outcome?
4. Reflect on something that someone has done for you that has made you happy or thankful in a surprising way. How has this gratitude affected or motivated you?
5. Discuss an accomplishment, event, or realization that sparked a period of personal growth and a new understanding of yourself or others.
6. Describe a topic, idea, or concept you find so engaging that it makes you lose all track of time. Why does it captivate you? What or who do you turn to when you want to learn more?
7. Share an essay on any topic of your choice. It can be one you've already written, one that responds to a different prompt, or one of your own design.
