

**The Government has issued a waiver allowing all students free meals  
For the entire 2020/21 school year**

The USDA has extended the Food Service Waiver for the entire 2020/21 school year. This allows Avon Lake City Schools to distribute meals to the students attending face-to-face classes and virtual learning at no charge. There will be charges for a la carte items such as individual milk-only-purchases, additional full-lunch-purchases, additional servings, and/or extra items.

Free lunches are for all ALCS students learning On-Campus or Virtual. Avon Lake City Schools is an open site for distribution for children, in the area, ages 1 to 18. Please note that this is temporary. The district will still be collecting Free and Reduced Meal applications as regular service will resume in the 2021/22 school year. Please contact Andrea Sokolow with any questions or concerns.
