Achieve Credit Union Now Accepting Applications for the 2026 Young Adult Scholarship Program

ELYRIA, OHIO – High school seniors and college students can now apply for the Achieve Credit Union Young Adult Scholarship.

The application is available on Achieve Credit Union's website at AchieveCU.org/scholarships and must be submitted by February 21, 2026.

This program aims to grant up to four non-renewable scholarships of \$1,000 each, including the prestigious Warren Wallace Education Major Scholarship. Among these, up to two scholarships will be awarded to graduating seniors, while up to two (2) scholarships will be granted to students currently enrolled as full-time students at any post-secondary educational institution.

To be eligible, applicants must be members of Achieve Credit Union, aged between 17-25, and registered to attend any post-secondary educational institution full-time (equivalent to at least 12 credit hours) in the Fall of 2026. Eligible institutions include universities, colleges, technical schools, trade, and vocational institutions.

The Scholarship Committee of Achieve Credit Union's Board of Directors will diligently evaluate applicants to determine the deserving winners. Awards will be based on various criteria, including academic achievement, career objectives, school activities, honors or awards, community involvement, work and/or volunteer experience, and a letter of recommendation.
