## FROM THE PRINCIPAL

My name is Mr. Michael May, Avon Lake High School Principal. I am excited to be working with our talented staff. It is equally exciting to be surrounded by and view the daily growth of the students.

I encourage all parents/guardians to stay in communication with our talented staff. Communication is the key to ensure we all are aiding students as they move forward in the school year through the winter months. We will certainly do our part in leading students to success.

We will work hard to build a strong sense of community, belonging, and the ability to take risks, all which are important components of the learning process.
