

Welcome to the District's Military Family Resources

According to the Ohio Department of Education website, "There are 34,000 children in Ohio with one or more parents serving in the military. This includes the children of active duty, reserve and Ohio National Guard members. Some of these children will attend six to nine different schools throughout their K-12 educational experiences. In addition to changing schools often, a student also can be affected by a parent's deployment.

Learwood Middle School and the entire Avon Lake City School District are proud supporters of our nation's military and all the men and women who defend our nation. It is an honor to work with and provide assistance to the families of our military members. Military families seeking assistance or requesting additional information when transferring to the Avon Lake City Schools should contact our registrar Mrs. Martin (Theresa.Martin@avonlakecityschools.org).
