SCHOOL LUNCH

WHAT'S COOKING?

Lunch Menu

Your students may have noticed that we have run into last minute changes to the school lunch menu. Due to circumstances beyond the kitchen's control, promised items are not always being delivered or delivered on time, and this is causing changes to the district's posted menu. We are trying to announce changes on the morning announcements and are doing our best to ensure that students still have choice. Please be understanding of the situation as we work through the shortages.

While we work through the changes I am attaching a "live" document of the daily lunches. If we are forced to make changes, it will update automatically at this link, and you will be able to see the most recent menu offerings. [Lunch](#)

PTA NEWS

Volunteers Needed!

Snowflake Shoppe Sign-Ups

PTA is hard at work organizing this year's Snowflake Shoppe. In order to make this event successful we are looking for volunteers for the day's event. Please consider signing up, any help is appreciated.

Link for Volunteers- <https://www.signupgenius.com/go/8050B48A4AA23A5FE3-redwood1>

Hello all! We are so excited to bring the Snowflake Shoppe back to Redwood this year! Due to current restrictions, it will look a little different this year. Parents will enjoy refreshments in the cafeteria while their child(ren) shop in the gymnasium with "shoppers" available to help. We may only have 40 STUDENTS (not families) per time slot, so please sign each of your children up for an individual spot. Again, each student must be registered as 1 person. Please review the available slots below and click on the button to sign up. Thank you!

To ensure we have plenty of volunteers to help the students shop (secretly), we need to limit the amount of students in the shop at one time. If you plan to have your student attend Snowflake Shoppe please use the following link to sign up for a designated time slot. The Snowflake Shoppe is only open to current students of Redwood, Thank you.
