

Cuyahoga Community College (Tri-C®) College Credit Plus Admission Checklist

The College Credit Plus program allows students to enroll concurrently in middle or high school and in college courses. **All CCP students must submit an Intent to Participate Form to their middle or high school (or to the Ohio Department of Education for private schools and home schools) by the State's deadline.** Private and home school students should refer to the [Ohio Department of Education College Credit Plus website](#) for funding and important dates. All steps in the admission checklist below must be completed prior to registering for CCP courses.

Tri-C CCP currently has rolling admission and will accept applications beyond our recommended April 15 deadline.

1. Apply to Tri-C

- Apply for admission at www.tri-c.edu/ccpapply
 - You will need your social security number and email address to complete the application.
 - You will receive an email notification with your Tri-C student ID number after your application is processed.

2. Send in Transcript

- Submit middle school report card or high school transcript to your campus CCP coordinator.
 - Printed and electronic transcripts accepted. See CCP coordinator contact information below.

Your transcript is used to determine CCP eligibility. Current state guidelines (during COVID-19) maintain that students must have a current, cumulative (unweighted) GPA of 3.0 or higher to be eligible for CCP. If a student does not meet GPA requirements, qualifying ACT/SAT or [ALEKS math placement](#) test scores are accepted.

3. Tri-C Placement

- Submit qualifying ACT or SAT scores from the last two years.** See grid for qualifying scores. Printed and electronic unofficial scores accepted. Access your scores from the ACT/SAT website and submit to admissions@tri-c.edu for processing. **PSAT/PLAN scores not accepted.*

If you do not have qualifying test scores, your GPA may be able to place you. Students in grades 10-12 with a 3.0 GPA do not need to take the English placement test. Students in grades 7-9 do need to take the English placement test.

English test scores are required for all courses; math test scores are required only for Tri-C courses with a math prerequisite. Visit the [CCP Placement Testing](#) page for more information.

ACT or SAT scores can waive a student from taking Tri-C's placement tests.		
	Math	English
ACT	21+	18+
SAT	520+	480+

4. Admission Decision

- Your decision letter will be sent via email, with instructions on next steps.
