Dear Parents,

Welcome back! The Avon Lake City Schools Food Service Department wanted everyone to know that we are offering lunches to all at home Virtual Learning Students. There will be daily pick-ups available at each of the buildings. If you have students at more than one of the buildings, please choose the building closest to your area.

We ask that you fill out an order form for each student. This form can be found on our Avon Lake City Schools website at www.avonlakecityschools.org under the Nutrition Services tab and then the Lunch Menus tab. Please pick the school where you will be picking meals and once the menu appears, go to the tab at the right labeled Home Meal Virtual Learning (the form is here). The form needs to be filled out by Sunday evening with your full week's choices. The pick-up will be every morning from 9-9:30 a.m. at the front door of the buildings except for at the High School, pick up will be at the North Entrance doors.

The meals will include a hot entree, fresh fruit and vegetables along with a milk. (Subject to change). The cost of the meals will be added to your student's accounts so please make sure there is money on their accounts. If you have not set up an online account, please click on the link below and set up their account using their Student Id#.
