

PRINCIPAL'S MESSAGE

Welcome to ALHS – YOUR high school - The home of Shoremen & Shoregal PRIDE!" Our students, staff and families are committed to the pursuit of excellence in a school with a deep, rich tradition of success. Avon Lake High School represents the vision of an outstanding community to provide excellent facilities, a talented and dedicated staff, and high expectations for quality student performance in and outside of the classroom. I am honored to lead such an outstanding school as Principal.

High School is a wonderful four-year experience that guarantees EVERY student the opportunity to build a record of achievement, participation, service and character to realize career and life goals. As Principal, I will challenge everyone to "**G.B.E.D.**" (**Get Better Every Day!**)

Learning is a 24/7/365 responsibility. We want high school to be the most exciting time of your life, and to be sure you understand that in order to compete for your career and life goals in the 21st-century - you've got to work! Learning occurs after class, outside of school and beyond the school day! It may not always be easy, but life isn't always easy. Build the best record possible for your future!

Our Principals, faculty and staff members will model care and respect, and expect every student to do the same to make ALHS a positive learning environment for all.

Best Wishes for a great year! Remember - **Challenge yourself - GBED!** We will know your capabilities and achievement, expect your very best throughout high school, and work with your family to support you. Participate actively in your high school career. Make good choices. Celebrate your successes, and strive for quality in all you do.
