Instructions to Bidders

PROJECT:

Avon Lake City School District
Avon Lake High School Parking Lot Renovations

THE OWNER:

Board of Education of the Avon Lake City School District
175 Avon Belden Road
Avon Lake, Ohio 44012

ARTICLE 1. DEFINITIONS

1.1 Bidding Documents include the Bidding Requirements and the Contract Documents plus any other item designated as a Bidding Document. The Bidding Requirements consist of the Notice to Bidders, Instructions to Bidders, the Bid Form, Bid Guaranty, bond (as required under Section 4.2.1), and other sample bidding and contract forms. The Contract Documents, which are inclusive of the Bidding Requirements, are enumerated and defined in the Owner-Contractor Agreement. Definitions set forth in the Owner-Contractor Agreement or in other Contract Documents are applicable to the Bidding Documents.

1.2 Addenda are written or graphic instruments issued by the Owner prior to the opening of Bids which modify or interpret the Bidding Documents by additions, deletions, clarifications or corrections.

1.3 An Alternate Bid (or Alternate) is an amount stated in the Bid to be added to or deducted from the amount of the Base Bid if the corresponding change in the Work, as described in the Bidding Documents, is accepted.

1.4 The Base Bid is the sum stated in the Bid for which the Bidder offers to perform the Work described in the Bidding Documents as the base, to which Work may be added or from which Work may be deleted for sums stated in Alternate Bids.

1.5 A Bid is a complete and properly executed proposal to do the Work for the sums stipulated therein, submitted on the Bid Form in accordance with the Bidding Documents.

1.6 A Bidder is a person or entity who submits a Bid.

1.7 The Bid Form is the form furnished in the Bidding Documents that is to be completed, signed, and submitted containing the Bidder's Bid.

1.8 Bid Guaranty means a bond or other instrument of security authorized by Ohio Revised Code Section 153.54 submitted with the Bid in accordance with Section 4.2 to provide assurance that the Bidder will execute the Agreement.

1.9 A Unit Price is an amount stated in the Bid as a price per unit of measurement for materials, equipment or services or a portion of the Work as described in the Bidding Documents.

ARTICLE 2. BIDDER'S REPRESENTATIONS

2.1 The Bidder by making a Bid represents that:

2.1.1 The Bidder has read and understands the Bidding Documents, to the extent that such documentation relates to the Work for which the Bid is submitted, and for other portions of the Project, if any, being bid concurrently or presently under construction.

2.1.2 The Bid is made in compliance with the Bidding Documents.

2.1.3 The Bidder has visited the site and surrounding area, become familiar with the conditions under which the Work is to be performed (including but not limited to the condition, layout and nature of the site and surrounding area; the availability and cost of labor; the availability and cost of materials, supplies and equipment; the costs of temporary utilities required in the Bid; the cost of any required permit or license; the usual weather conditions of the Project location; conditions bearing upon transportation, disposal, handling and storage of equipment, materials and waste; and subsurface and concealed physical conditions and related information provided in the Bidding Documents) and has correlated the Bidder's personal observations with the requirements of Bidding Documents.

2.1.4 The Bid is based upon the materials, equipment and systems required by the Bidding Documents without exception.

2.2 By submitting its Bid, the Bidder understands and agrees that the Contract Sum, based on its Bid and as amended by Change Orders, shall cover all amounts due from the Owner resulting from interference, disruption, hindrance or delay caused by or between Separate Contractors or their agents and employees.

2.3 The Bidder agrees that the Bidder will make no request for additional compensation or mitigation of Liquidated Damages for any such interference, disruption, hindrance or delay, and will accept as full satisfaction an extension of the Contract Time which may be provided by the Owner in accordance with the Bidding Documents.

ARTICLE 3. BIDDING DOCUMENTS

3.1 COPIES

3.1.1 Bidders may obtain complete sets of the Bidding Documents from the issuing office designated in the Notice to Bidders in the number and for the dollar amount, if any, stated therein.

3.1.2 Bidders shall use complete sets of Bidding Documents in preparing Bids; the Owner does not assume responsibility for errors or misinterpretations resulting from the use of incomplete sets of Bidding Documents.

3.1.3 The Owner may make copies of the Bidding Documents available on the above terms for the purpose of obtaining Bids on the Work. No license or grant of use is conferred by issuance of copies of the Bidding Documents.

3.2 INTERPRETATION OR CORRECTION OF BIDDING DOCUMENTS

3.2.1 The Bidder shall carefully study and compare the Bidding Documents with each other, and with other work being bid concurrently or presently under construction to the extent that it relates to the Work for which the Bid is submitted, shall examine the site and local conditions, and shall at once report to the Owner errors, inconsistencies or ambiguities discovered.

3.2.2 Bidders requiring clarification or interpretation of the Bidding Documents shall make a written request for information which shall reach the Owner at least seven (7) days prior to the date for receipt of Bids. By submitting its Bid, each Bidder represents and agrees, based upon its careful and diligent review of the Bidding Documents, that it is not aware of any conflicts, inconsistencies, errors or omissions in the Bidding Documents for which it has not timely notified the Owner. Bidders who fail to timely provide notification and to request clarification will be expected to overcome such conditions without additional compensation.

3.2.3 Interpretations, corrections and changes of the Bidding Documents if determined by the Owner to be warranted will be made by Addendum. Interpretations, corrections and changes of the Bidding Documents made in any other manner will not be binding, and Bidders shall not rely upon them.

3.2.4 In interpreting the Bidding Documents, words describing materials that have a well-known technical or trade meaning, unless otherwise defined in the Bidding Documents, shall be construed in accordance with the well-known meaning recognized by the trade.

3.2.5 When the Bidding Documents refer to a period of time by a number of days, it excludes the first day and includes the last day of the period. If the last day of the period falls on a Saturday, Sunday, or a legal holiday, that day shall be omitted and the period shall end on the next day which is not a Saturday, Sunday, or legal holiday. The term "day" as used in the Instructions to Bidders shall mean a calendar day unless otherwise noted.

3.2.6 Bidder is required to comply with all requirements of the Bidding Documents, regardless of whether the Bidder has actual knowledge of the requirements and regardless of any statement or omission made by the Bidder that might indicate a contrary intention.

3.3 SUBSTITUTIONS

3.3.1 The materials, products and equipment described in the Bidding Documents establish a standard of required function, dimension, appearance and quality to be met by any proposed substitution.

3.3.2 No substitution will be considered prior to receipt of Bids unless written request for approval has been received by the Owner at least seven (7) days prior to the date for

receipt of Bids. Such requests shall include the name of the material or equipment for which it is to be substituted, a complete description of the proposed substitution including drawings, performance and test data, and other information necessary for an evaluation, and a certification from the Bidder that the proposed item is equal in quality and all aspects of performance and appearance, to the item specified. A statement setting forth changes in other materials, equipment or other portions of the Work, including changes in the work of Separate Contractors that incorporation of the proposed substitution would require, shall be included. The burden of proof of the merit of the proposed substitution is upon the proposer. The Owner's decision of approval or disapproval of a proposed substitution shall be final.

3.3.3 If the Owner approves a proposed substitution prior to receipt of Bids, such approval will be set forth in an Addendum. Approvals made in any other manner will not be binding, and Bidders shall not rely upon them.

3.3.4 No substitutions will be considered after the Contract award unless specifically provided for in the Bidding Documents.

3.4 ADDENDA

3.4.1 Addenda will be transmitted to all who are known by the issuing office to have received a complete set of Bidding Documents and to plan rooms where copies of the Bidding Documents are maintained. It is therefore imperative that Bidders provide full and accurate contact information to the Owner, including e-mail addresses. The Addenda may be delivered by e-mail, facsimile, posted to the Owner's website set forth in the Notice to Bidders, posted to an FTP site, or otherwise furnished to each registered plan holder. Addenda will be deemed to have been validly delivered if emailed or otherwise furnished to each firm's contact person of record.

3.4.2 Notwithstanding anything to the contrary in Section 3.4.1, all Bidders will be presumed to have actual knowledge of all Addenda posted on the Owner's website relating to the Project, and firms shall not avail themselves of incomplete knowledge and/or lack of familiarity of the Contract Documents and any Addenda thereto resulting from the Bidder's failure to register with and provide accurate contact information to the Owner and/or a Bidder's failure to check the Owner's website.

3.4.3 Copies of Addenda will be made available for inspection wherever Bidding Documents are on file for that purpose.

3.5 If an Addendum is issued within 72 hours prior to the published time for the opening of Bids (excluding Saturdays, Sundays, and legal holidays), then the time for opening of Bids shall be extended one week with no further advertising of Bids required.

3.5.1 Each Bidder shall ascertain prior to submitting a Bid that the Bidder has received all Addenda issued, and the Bidder shall acknowledge their receipt in the Bid Form. If the Bidder fails to acknowledge receipt of each Addendum, the Bid may be deemed non-responsive, unless the Bid amount clearly and unambiguously reflects receipt of the Addendum or the Addendum involves only a matter of form and does not affect the price, quantity or quality of the Work to be performed in any material manner.

3.6 BASIS OF DESIGN AND ACCEPTABLE COMPONENTS

3.6.1 The Bidding Documents may list components produced by specific manufacturers to denote kind, quality, or performance requirements. The component listed first is the basis of design component, and other listed components are acceptable components. If the Bidder includes an acceptable component in its Bid, the Bidder is responsible for the costs of coordination and modification required.

ARTICLE 4. BIDDING PROCEDURES

4.1 PREPARATION OF BIDS

4.1.1 The Bidder is strongly encouraged (and required, when designated by Owner as mandatory) to attend any pre-bid meetings where questions will be answered regarding the Bidding Documents. Each Bidder will be determined to have actual knowledge of all information provided or discussed at the pre-bid meeting, and additional compensation shall not be based upon the Bidder's failure to attend the pre-bid meeting which results in the Bidder's incomplete knowledge and familiarity of the Project requirements. If not given in the Notice to Bidders, the Owner shall issue notice of the time and place of any pre-bid meeting to each registered plan holder.

4.1.2 Bids shall be submitted on the forms included with the Bidding Documents.

4.1.3 The Owner may solicit Bids which combine two or more bid packages. The individual Base Bid amounts of each separate bid package need not total the combination Base Bid amount. The Owner reserves the right to accept or reject any or all separate Bids or combination Bids, in whole or in part, and in any order.

4.1.4 All blanks on the Bid Form shall be legibly filled in using a non-erasable medium, and interlineations, alterations and erasures must be initialed in ink by the signer of the Bid.

4.1.5 Sums shall be expressed in both words and figures. In case of discrepancy, the amount written in words shall govern where the words are not ambiguous. When the Bidder's intention and the meaning of the words are clear, omissions or misspellings of words shall not render the words ambiguous.

4.1.6 The wording on the Bid Form shall be used without change, alteration or addition. Any change in the wording or omission of specifying accompanying documents may cause the Bid to be rejected.

4.1.7 When an Alternate is listed on the Bid Form, the Bidder shall fill in the blank with an amount to add to or deduct from the Base Bid. Voluntary Alternates are prohibited from becoming the basis of the Contract award.

4.1.7.1 If no change in the Bid amount is required, indicate "No Change" or "\$0 dollars."

4.1.7.2 Failure to make an entry, or an entry of “No Bid,” “N/A,” or similar entry for any Alternate shall cause the Bid to be nonresponsive if that Alternate is selected. If the Alternate is not selected, such an entry on that Alternate will not itself render a Bidder nonresponsive.

4.1.7.3 Failure to indicate a negative number will indicate the Bidder’s intent to increase the Base Bid by the amount entered in the applicable blank. Methods for indicating a negative number may include preceding the number by a minus sign, enclosing the number in parenthesis, or, when provided on the Bid Form, by circling “DEDUCT” or similar words.

4.1.8 Each copy of the Bid shall state the legal name of the Bidder and the nature of legal form of the Bidder. Each copy shall be signed by the person or persons legally authorized to bind the Bidder to a contract. A Bid by a corporation shall further give the state of incorporation. For a Bid submitted by an agent, the Owner may require submission of a current power of attorney certifying the agent’s authority to bind the Bidder. The Bidder may be required to provide evidence of legal authority to perform within the jurisdiction of the Work.

4.1.9 In determining which Bid is the lowest, the Owner shall consider the Base Bid and any Alternate or Alternates which the Owner decides to accept in the Owner’s sole discretion. The Owner shall have the right to accept Alternates in any order or combination as desired by the Owner and to determine the low Bidder on the basis of the sum of the Base Bid and Alternates accepted. The Bidder further understands and acknowledges that use of add and deduct Alternates is a long held customary practice in the construction industry in the State of Ohio. The Bidder understands that based on Alternates selected by the Owner, the Contract award to the lowest responsible Bidder may result in an award to a Bidder other than the Bidder that submitted the lowest Base Bid.

4.1.10 If two or more Bidders submit the same Bid amount and are determined to be responsive and responsible, the Owner may select one Bidder by lot in the presence of both Bidders in such manner as the Owner shall determine and such selection shall be final. If one of the Bidders refuses to participate in or fails to be present, the remaining Bidder shall be selected.

4.1.11 UNIT PRICES.

4.1.11.1 If Unit Prices are requested on the Bid Form, the amount of the scheduled quantities shall be included in the Base Bid amount. Unit prices shall be used solely for the purpose of determining the adjustment to the Contract Sum for the difference between the estimated quantities on the Bid Form and the actual quantities provided. If Unit Prices are stated to be sought only for informational purposes, they shall not be included in the Bid amount.

4.1.11.2 Unit Prices shall include all materials, equipment, labor, delivery, installation, and any other cost or expense, in connection with, or incidental to, the performance of that portion of the Work. Unit Prices shall not include the Contractor’s fee on account of the associated Unit Price Work. The Bidder shall submit Unit Prices for all items listed.

4.1.11.3 Where there is a conflict between a Unit Price and the extension thereof made by the Bidder, the Unit Price shall govern and a corrected extension of such Unit Price shall be made.

4.1.11.4 The Bidder agrees that the Owner may increase, decrease or delete entirely the scheduled quantities of Work to be done and materials to be furnished after execution of the Contract.

4.1.12 ALLOWANCES

4.1.12.1 If Allowances are provided in the Bidding Documents, including the Bid Form, the amount of each applicable Allowance shall be included in the Base Bid amount.

4.2 BID GUARANTY/BOND

4.2.1 A Bid Guaranty payable to the Owner and meeting the requirements of Ohio Revised Code Section 153.54 shall be submitted with the Bidders Bid in the form of either (i) a bid guaranty and contract bond meeting the requirements of Ohio Revised Code Sections 153.54(A)(1), 153.54(B) and 153.571 or (ii) a certified check, cashier's check or letter of credit meeting the requirements of Ohio Revised Code Sections 153.54(A)(2) and 153.54(C). The Bid Guaranty shall serve as an assurance that the Bidder will, upon acceptance of the Bid by the Owner, comply with all conditions for the execution of the Contract within the time specified.

4.2.1.1 The amount of the bid guaranty and contract bond under Section 4.2.1(i) herein should be the full amount of the Bidder's Base Bid plus all add Alternates with no deduction for any deduct Alternates; a percentage is not acceptable. If the blank line on the bid guaranty and contract bond is not filled in, the penal sum will automatically be the full amount of the Base Bid plus all accepted Alternates. If an amount is inserted, then the failure to state an amount equal to or greater than the total of the Base Bid plus all add Alternates that are accepted shall make the Bid non-responsive. If the successful Bidder provided a bid guaranty and contract bond as its Bid Guaranty under Section 4.2.1(i) and this Subsection 4.2.1.1, then the bid guaranty and contract bond shall become the performance and payment bond.

4.2.1.2 A certified check, cashier's check or letter of credit under Section 4.2.1(ii) herein should be equal to ten (10) percent of the Base Bid plus all add Alternates, and a failure to provide an amount equal to or greater than ten (10) percent of the total of the Base Bid plus all add Alternates that are accepted shall make the Bid non-responsive. Any letter of credit shall be revocable only by the Owner. Successful Bidders that provide a Bid Guaranty in the form of a certified check, cashier's check or letter of credit under Section 4.2.1(ii) and this subsection 4.2.1.2 shall, at the time of signing the Contract, provide a performance and payment bond meeting the requirements of Ohio Revised Code Sections 153.54(C) and 153.57.

4.2.1.3 A bond must be issued by a surety capable of demonstrating a record of competent underwriting, efficient management, adequate reserves, and sound investments. These criteria will be met if the surety currently has an A.M. Best Company Rating of "A-" or higher. A bond must be signed by an authorized agent of an acceptable surety bonding company and by the Bidder. The bond must be issued by a surety company authorized by the Ohio Department of Insurance to transact business in the State of Ohio and a copy of that insurance

company's certificate of compliance should be attached to the bond. Each bond shall also be supported by a power of attorney for the agent signing for the surety.

4.2.2 FORFEITURE

4.2.2.1 If for any reason, other than as authorized by Sections 4.4 and 4.5 herein, the Bidder fails to execute the Contract, and the Owner awards the Contract to another subsequent Bidder which the Owner determines is the lowest responsive and responsible Bidder, the Bidder who failed to enter into a Contract shall be liable to the Owner for the difference between such Bidder's Bid amount and the Bid amount of the subsequent Bidder awarded the Contract, but not to exceed ten (10) percent of the Bid amount of the Bidder who failed to enter into a Contract. For purposes of this Section 4.2.2, the Bid amount shall mean the Base Bid and Alternates selected by the Owner.

4.2.2.2 If the subsequent Bidder also fails or refuses to execute the Contract, the liability of such subsequent Bidder shall be the amount of the difference between the Bid amount of such Subsequent Bidder and the Bid amount of another subsequent Bidder which the Owner determines is the lowest responsive and responsible Bidder, but not in excess of ten (10) percent of the Bid amount of the subsequent Bidder who failed to enter into a Contract. Liability on account of an award to each succeeding lowest responsible Bidder shall be determined in like manner.

4.2.2.3 If the Owner does not award the Contract to another Bidder which the Owner determines is the next lowest responsible Bidder, but resubmits the Project for bidding, the Bidder failing to execute the Contract shall be liable to the Owner for the costs in connection with the resubmission, of printing new Bidding Documents, required advertising and printing and mailing notices to prospective Bidders, but not to exceed ten percent (10%) of such Bidder's Bid amount.

4.3 SUBMISSION OF BIDS

4.3.1 The Bid, the Bid Guaranty and any other documents required to be submitted with the Bid shall be enclosed in a sealed opaque envelope. The envelope shall be addressed to the party receiving the Bids and shall be identified with the Project name, the Bidder's name and address and, if applicable, the designated portion of the Work for which the Bid is submitted. If the Bid is sent by mail, the sealed envelope shall be enclosed in a separate mailing envelope with the notation "SEALED BID ENCLOSED" on the face thereof.

4.3.2 Bids shall be delivered to the designated location not later than the time and date for receipt of Bids. The cancellation or delay of the normal business activities of the Owner shall not be construed as an extension of the time and date for the receipt and opening of Bids. Bids received after the time and date for receipt of Bids will be returned unopened regardless of the reason for the delay.

4.3.3 The Bidder shall assume full responsibility for timely delivery at the location designated for receipt of Bids, regardless of the method of delivery. Ample time should be allowed for transmittal of Bids by mail or otherwise. Bidders should secure correct information

relative to the probable time of arrival and distribution of mail at the place where Bids are to be opened.

4.3.4 Oral, telephonic, telegraphic, facsimile or other electronically transmitted Bids will not be considered.

4.3.5 Form of Bid

4.3.5.1 Bids shall not contain a recapitulation of the Work to be done.

4.3.5.2 Before submitting a Bid, Bidders should carefully examine all of the Bidding Documents, visit the site and fully inform themselves as to all existing conditions and limitations that may affect the Work, including prevailing climate conditions and when the Work will be performed. Each Contractor shall be responsible for its portion of the Work regardless of what Drawing it may appear on or Specification division it is described in.

4.4 MODIFICATION OR WITHDRAWAL OF BID PRIOR TO BID OPENING

4.4.1 Prior to the time and date designated for receipt of Bids, a Bid submitted may be modified or withdrawn by notice to the party receiving Bids at the place designated for receipt of Bids. Such notice shall be in writing over the signature of the Bidder. Written confirmation over the signature of the Bidder shall be received, and date- and time-stamped by the receiving party on or before the date and time set for receipt of Bids. A modification to the Bid amount shall be worded as not to reveal the amount of the original Bid, and changes shall provide an amount to be added to or subtracted from the Bid amount so that the final Bid amount can be determined only after the sealed envelope is opened.

Withdrawn Bids may be resubmitted up to the date and time designated for the receipt of Bids provided that they are then fully in conformance with these Instructions to Bidders. The Bid Guaranty shall be in an amount sufficient for the Bid as resubmitted.

4.5 WITHDRAWAL OF BID AFTER BID OPENING

4.5.1 Following the Bid opening, withdrawal of Bids shall be governed by Ohio Revised Code Section 9.31.

4.5.2 A Bidder may withdraw a Bid from consideration after the Bid opening if the Bid amount was substantially lower than the amounts of other Bids, providing the Bid was submitted in good faith, and the reason for the Bid amount being substantially lower was a clerical mistake, as opposed to a judgment mistake, and was actually due to an unintentional and substantial arithmetic error or an unintentional omission of a substantial quantity of Work, labor, or material made directly in the compilation of the Bid amount.

4.5.2.1 Notice of a request to withdraw a Bid shall be made in writing filed with the Owner within two (2) business days after the conclusion of the bid opening. The Owner reserves the right to request the Bidder to submit evidence substantiating the Bidder's request to withdraw the Bid.

4.5.2.2 No Bid may be withdrawn under Section 4.5.2 which would result in awarding a Contract involving the same item on another Bid to the same Bidder.

4.5.3 If a Bidder withdraws its Bid under Section 4.5.2, the Owner may award the Contract to the next lowest responsive and responsible Bidder, or reject all Bids and rebid the Project. In the event the Owner rebids the Project, the withdrawing Bidder shall pay the costs, in connection with the re-bidding, of printing new Bidding Documents, required advertising, and printing and mailing of notices to prospective Bidders, if the Owner finds that these costs would not have been incurred but for the withdrawal.

4.5.4 If the Owner contests the right of a Bidder to withdraw a Bid pursuant to Section 4.5.2, it shall hold a hearing within ten (10) days after the Bid opening and the Owner shall issue an order allowing or denying the claim of this right within five (5) days after the hearing is concluded. The Owner shall give the withdrawing Bidder timely notice of the time and place of the hearing. The Owner shall make a stenographic record of all testimony, other evidence, and rulings on the admissibility of evidence presented at the hearing, and the Bidder shall pay the costs of the hearing. Pursuant to Ohio Revised Code Section 119.12, the Bidder may appeal the order of the Owner.

4.5.5 In the event the Owner denies the request for withdrawal and the Bidder elects to appeal or otherwise refuses to perform the Contract, the Owner may reject all Bids or award the Contract to the next lowest responsive and responsible Bidder.

4.5.6 A Bidder who is permitted to withdraw a Bid under Section 4.5.2 shall not supply material or labor to, or perform a subcontract or other work for, the person to whom the Contract is awarded, or otherwise benefit, directly or indirectly, from the performance of the Project for which the withdrawn Bid was submitted, without the Owner's prior written consent. The person to whom the Contract was awarded and the withdrawing Bidder are jointly liable to the Owner in an amount equal to any compensation paid to or for the benefit of the withdrawing Bidder without such approval, in addition to the penalty provided for in Ohio Revised Code Section 2913.31.

4.5.7 A request for a withdrawal of a Bid that is made more than two business days after the conclusion of the Bid opening shall be subject to Section 4.2.2 herein.

ARTICLE 5. CONSIDERATION OF BIDS

5.1 OPENING OF BIDS

5.1.1 Bids received on time will be publicly opened and will be read aloud. An abstract of the Bids may be made available to Bidders. Bids will be recorded showing the date and time received. Bids received prior to the time of opening will be securely kept, unopened. No responsibility will be accepted for the premature opening of a Bid not properly addressed and identified.

5.1.2 The public opening and reading of Bids is for informational purposes only and is not to be construed as an acceptance or rejection of any Bid submitted.

5.1.3 The contents of the Bid envelope shall be a public record and open for inspection, upon request, at any time after the completion of the entire Bid opening, except for any information that is not a public record under Ohio law.

5.1.4 All Bids shall remain open for acceptance for sixty (60) days following the day of the Bid opening, but the Owner may, in its sole discretion, release any Bid and return the Bid Guaranty prior to that date.

5.2 BID EVALUATION

5.2.1 The Owner shall have the right in its sole discretion to reject any or all Bids and submit the Project or any components thereof for rebidding. A Bid not accompanied by a required Bid Guaranty or by other data required by the Bidding Documents, or a Bid which is in any way incomplete or irregular is subject to rejection.

5.2.2 The Owner will have the right to take such steps as it deems necessary to determine the responsibility of the Bidder and the ability of the Bidder to perform the Work, and the Bidder shall furnish the Owner such data for this purpose as Owner may request. Such data may include but not be limited to:

5.2.2.1 Overall experience of the Bidder, including number of years in business under present and former business names. If the Bidder's management operates or has operated another construction company, the Owner may consider the work history of that company in determining the overall experience of the Bidder;

5.2.2.2 Complete listing of all ongoing and completed public and private construction projects of the Bidder in the last three years, including the nature and value of each contract and a name/address/phone number for each owner;

5.2.2.3 Complete listing of any public or private construction projects for which the Bidder has been declared in default; also, any EPA, OSHA or other regulating entity issues or citations in the last ten (10) years;

5.2.2.4 Certified financial statement, bank references, and information concerning Bidder as reported by Dun & Bradstreet and other similar reporting services which is not a public record under Ohio Revised Code 149.43;

5.2.2.5 Description of relevant equipment and facilities of the Bidder;

5.2.2.6 Description of the management experience of the Bidder's project manager(s) and superintendent(s);

5.2.2.7 Complete list of Subcontractors which the Bidder proposes to employ on the Project;

5.2.2.8 Current Ohio Workers' Compensation Certificate;

5.2.2.9 If the Bidder is a foreign corporation, i.e., not incorporated under the laws of Ohio, a Certificate of Good Standing from the Secretary of State showing the right of the Bidder to do business in the State; or, if the Bidder is a person or partnership, the Bidder has filed with the Secretary of State a Power of Attorney designating the Secretary of State as the Bidder's agent for the purpose of accepting service of summons in any action;

5.2.2.10 Any prior rejections of a Bid submitted by the Bidder on a public project.

5.2.3 Failure to timely submit the requested information may be grounds for rejecting the Bid.

5.2.4 The right is reserved to reject Bids where an investigation of the available evidence or information does not satisfy the Owner that the Bidder is a responsible Bidder.

5.2.5 Bids which contain qualifications or conditions that are contrary to the text or intent of the Bidding Documents, and which are inserted in the Bid or submitted subsequent to the Bid opening for the purpose of limiting or otherwise qualifying the obligations of the Bidder, outside of the text or intent of the Bidding Documents, may be subject to disqualification.

5.2.6 The Owner reserves the right to reject the Bid of a Bidder who has previously failed to perform properly or to complete Contracts of a similar nature on time, who is not in a position to perform the Contract, or who has habitually, and without just cause neglected the payment of bills or otherwise disregarded its obligations to subcontractors, material persons, or employees.

5.2.7 The Owner reserves the right to waive, or to allow any Bidder a reasonable opportunity to cure, a minor irregularity or technical deficiency in a Bid, provided the irregularity or deficiency does not affect the Bid amount or otherwise give the Bidder a competitive advantage.

5.2.8 The Bidder authorizes the Owner and its representatives to contact the owners and professionals (including but not limited to architects, engineers and construction managers) on projects on which the Bidder has worked. Bidder shall provide the full contact information for such owners and professionals, and Bidder authorizes such owners and professionals to provide the Owner with a candid evaluation of the Bidder's performance. By submitting its Bid, the Bidder agrees that if it or any person, directly or indirectly, on its behalf or for its benefit brings an action against any of such owners or professional or the employees of any of them as a result of or related to such candid evaluation, the Bidder will indemnify and hold harmless such owners and professionals and the employees of any of them from any claims whether or not proven that are part of or are related to such action and from all legal fees and expenses incurred by any of them arising out of or related to such legal action. This obligation is expressly intended for the benefit of such owners and professionals, and the employees of each of them.

5.3 ACCEPTANCE OF BID (AWARD)

5.3.1 Subject to the right of the Owner to reject each and every Bid, the Owner will award the Contract for the Work to the lowest responsible Bidder. In determining which Bid

is the lowest responsible Bid, the Owner may take into consideration not only the amount of the Base Bid and the Bids for any Alternate the Owner determines to accept but such of the following criteria as Owner, in its discretion, deems appropriate, and Owner may give such weight thereto as it deems appropriate:

5.3.1.1 The Bidder's financial condition and ability to complete the Contract successfully without resort to its surety;

5.3.1.2 The Bidder's prior experience, including experience with similar work on comparable or more complex projects;

5.3.1.3 The management skills of the Bidder, including the competency and experience of the Bidder's proposed supervisory and management staff and the capability of the Bidder to construct and manage the entire Project, including but not limited to the plumbing, fire protection, heating, ventilating and air conditioning and electrical branches or classes of the Work;

5.3.1.4 The Bidder's prior history for the successful and timely completion of projects;

5.3.1.5 The Bidder's equipment and facilities;

5.3.1.6 The adequacy, in numbers and experience, of the Bidder's work force to complete the Contract successfully and on time;

5.3.1.7 The Bidder's prior experience on other projects of the Owner, including the Bidder's demonstrated ability to complete its work on these projects in accordance with the Bidding Documents and on time;

5.3.1.8 The Bidder's history of compliance with federal, state, and local laws, rules, and regulations.

5.3.1.9 A Bidder who submits a Bid for Work as a mechanical Contractor, i.e., for electrical, plumbing, hydronics, refrigeration or heating, ventilating and air conditioning, may be required to submit evidence of licensure by the Ohio Construction Industry Licensing Board;

5.3.1.10 The Owner's prior experience with the Bidder's surety;

5.3.1.11 The Bidder's interest in the Project as evidenced by its attendance at any pre-bid meetings or conferences for Bidder;

ARTICLE 6. POST-BID INFORMATION

6.1 CONTRACTOR'S QUALIFICATION STATEMENT

Bidders to whom award of a Contract is under consideration shall submit to the Owner, as promptly as possible but no later than 48 hours after Bid opening, a contractor's qualification statement, and unless a different form is contained in the Bidding Documents, Bidders shall use the AIA A305 form. Bidder shall thereafter promptly provide the Owner, but not later than 24 business hours after request, with such additional information as the Owner may reasonably request regarding the Bidder's responsibility.

6.2 SUBMITTALS

6.2.1 The Bidder shall within 48 hours after Bid opening, or such longer time as may be permitted by Owner, furnish to the Owner in writing the following information. Failure to submit this information within the required time may be grounds for rejection of the Bid:

- .1 a designation of the Work to be performed with the Bidder's own forces;
- .2 names of the manufacturers, products, and the suppliers of principal items or systems of materials and equipment proposed for the Work;
- .3 names of persons or entities (including those who are to furnish materials or equipment fabricated to a special design) proposed for the principal portions of the Work;
- .4 the list of all proposed Subcontractors and suppliers; and
- .5 the breakdown of the labor and material for the Project, including the sum thereof.

6.2.2 The Bidder will be required to establish to the satisfaction of the Owner the reliability and responsibility of the persons or entities proposed to furnish materials and perform the Work described in the Bidding Documents.

6.2.3 Prior to the execution of the Contract, the Owner will notify the Bidder in writing if, after due investigation, the Owner has reasonable objection to a person or entity proposed by the Bidder. If the Owner has reasonable objection to a proposed person or entity, the Bidder shall submit an acceptable substitute person or entity at no additional cost to Owner.

6.2.4 Persons and entities proposed by the Bidder and to whom the Owner has made no reasonable objection must be used on the Work for which they were proposed and shall not be changed except with the written consent of the Owner.

6.3 NOTICE OF INTENT TO AWARD

6.3.1 The Owner shall notify the apparent successful Bidder of the Owner's intent to award the Bid of the Bidder upon satisfactory compliance by Bidder with the conditions specified in Section 8.4 herein. The Owner reserves the right in its sole discretion to rescind the notice at any time. The failure to submit requested information on a timely basis may result in the determination that the Bidder is not the lowest responsible Bidder.

6.3.2 It is understood that issuance of the notice by the Owner does not constitute the formation of a Contract between Owner and Bidder, and it is further understood that acceptance by the Owner's governing body of the Bidder's Bid and the execution of a formal written Agreement by both the Owner and Bidder, which Agreement must contain a fiscal officer certificate as required by statute, are conditions to the formation of a Contract.

ARTICLE 7. FORM OF AGREEMENT BETWEEN OWNER AND CONTRACTOR

Unless otherwise required in the Bidding Documents, the Agreement for the Work will be written on the Form of Agreement Between Owner and Contractor as contained in the Bidding Documents.

ARTICLE 8. SUPPLEMENTAL BIDDING INFORMATION

8.1 Communications for the administration of the Contract shall be as set forth in the Contract and, in general, shall be through the Owner.

8.2 If the Owner and a Bidder enter into a contract within 60 days of the Bid opening, the Contractor shall pay any and all material, labor or Subcontract cost increases which have occurred since the Bid opening. Contracts entered into beyond the 60 day period may contain additional amounts for cost increases if the cause for delay is not the fault of the Contractor.

8.3 By submitting a Bid, the Bidder represents that the Bidder is not subject to a finding for recovery under Ohio Revised Code Section 9.24, or that Bidder has taken the appropriate remedial steps required under Ohio Revised Code Section 9.24, or otherwise qualifies under this section.

8.4 Prior to the signing of a Contract, the successful Bidder shall furnish (i) certificates of insurance meeting the requirement of the Contract, (ii) performance and payment bond (if required by, and not already provided in accordance with, Section 4.2 herein), (iii) Ohio workers' compensation certificates, (iv) Ohio Secretary of State certification, (v) tax affidavit (Ohio Revised Code Section 5719.042), (vi) contractor consent to escrow agent/agreement or waiver of escrow, and (vii) Proof of enrollment in good standing in the Ohio Bureau of Workers' Compensation ("BWC") Drug-Free Workplace Program ("DFWP") or an equivalent BWC approved DFWP in accordance with Ohio Revised Code Sections 153.03 to 153.031.

8.4.1 The award of the Contract and the execution of the Contract are based upon the expectation that the lowest responsible Bidder will comply with the conditions of Section 8.4.

8.4.2 Noncompliance with the conditions within five (5) days of the date that the Bidder is notified of the notice of intent to award the Contract in accordance with Section 6.3 herein shall be cause for the Owner to cancel the award for the Bidder's lack of responsibility and award the Contract to another Bidder which the Owner determines is the next lowest responsive and responsible Bidder, or resubmit the Contract for bidding, at the discretion of the Owner.

8.4.3 The Owner may extend the time for compliance with the conditions for good cause shown. No extension shall operate as a waiver of the conditions precedent for execution of the Contract.

The Contractor shall be responsible for the means, methods, manners, techniques, sequences, procedures, or for safety precautions and programs, including OSHA regulations, in connection with the Work.

1.2 The Contractor must at all times furnish sufficient skilled workers, materials, and equipment to perform the Work in strict conformance with the Contract Documents and to the satisfaction of the Owner, so as to complete the Project by the date for Substantial Completion. All materials and equipment provided must be new, free from all defects, and fit for the purpose for which intended.

1.3 The Contractor will assign a competent Project supervisor. At the Owner's request, the Contractor will replace the Project supervisor, provided that the request is reasonable. The Owner's Representative will not be responsible for the acts or omissions of the supervisor or its assistants.

1.4 The Contractor shall be responsible for the disposal of debris and waste materials and leaving the Project site in a clean and sanitary condition. Contractor shall provide its own waste disposal receptacles and shall not use any dumpsters or receptacles of the Owner.

1.5 The Contractor shall provide for the safe storage and protection of materials and equipment at all times.

1.6 Upon final completion of the Work, the Contractor shall provide as-built drawings to the Owner depicting the Work as constructed.

2. CONTRACT DOCUMENTS.

2.1 The Contract Documents consist of this Owner-Contractor Agreement and the project manual for the Project issued on _____, 2012 (which includes the Bidding Documents) which project manual is incorporated herein by reference as if fully rewritten herein, and change directives, field work orders and/or Change Orders issued after execution of this Agreement, all of which are incorporated into this Agreement. In the event of a conflict among this Agreement and any exhibits or attachments to this Agreement that are not resolved by change directive, field work order or Change Order, the conflict shall be resolved by the Contractor adhering to the stricter requirement.

2.2 The Owner alone owns all Project-related documents, including those in electronic form, prepared by the Contractor and subcontractors, and every right, title, and interest therein from the moment of creation. The Contractor must execute and deliver and cause its employees and agents and all subcontractors to execute and deliver to the Owner any transfers, assignments, documents, or other instruments (if any) necessary to vest in the Owner complete right, title, interest in and ownership of the Contractor's documents. The Contractor may retain copies, including reproducible copies, of the Contractor's documents for information, reference, and performance of the Work. The submission or distribution of the Contractor's documents to meet official regulatory requirements or for similar purposes in connection with the Project is not a waiver of the Owner's reserved rights in the Contractor's documents. Any unauthorized use of the Contractor's documents shall be at the sole risk of the entity making the unauthorized use.

3. CONTRACT SUM. The contract sum ("Contract Sum") to be paid by the Owner to the Contractor, as provided herein, for the satisfactory performance and completion of the Project and all of the duties, obligations and responsibilities of the Contractor under this Agreement and the other Contract Documents is _____ and **00/100 Dollars (\$ _____ .00)**. The Contract Sum includes all federal, state, county, municipal, and other taxes imposed by law, including but not limited to any sales, use, and personal property taxes payable by or levied against the Contractor on account of the Work or the materials incorporated into the Work. The Contractor is responsible to pay any such taxes. The Contract Sum also includes the cost of any permits required for the Work.

4. OWNER'S REPRESENTATIVE.

4.1 Dr. Ned W. Lauver, Director of Operations, is the "Owner's Representative" with respect to all matters involving the Owner.

4.2 Except as specifically stated to the contrary elsewhere in this Agreement, the Contractor will direct all communications to the Owner through the Owner's Representative.

4.3 The Contractor at all times will provide the Owner's Representative access to the Work.

5. TIME FOR COMPLETION AND PROJECT COORDINATION.

5.1 **PROJECT TIME SCHEDULE.** Contractor shall commence the Work not later than _____ (or such earlier date as authorized by the Owner) and shall attain substantial completion of the Work by not later than _____, 2022, unless the Owner and Contractor agree to a different completion date ("Substantial Completion"). For purposes of this Agreement, "Substantial Completion" means that the Work is complete in accordance with the Contract Documents so that the Owner may utilize the Work for its intended purpose, subject to minor punchlist items which Contractor shall complete within seven (7) days after attainment of Substantial Completion.

5.2 **TIME IS OF THE ESSENCE.** THE DATES IN THE PROJECT TIME SCHEDULE ARE OF THE ESSENCE OF THIS AGREEMENT. THE CONTRACTOR WILL PROSECUTE ITS WORK IN ACCORDANCE WITH THE PROJECT TIME SCHEDULE, INCLUDING ANY AMENDMENTS THERETO.

5.3 DELAYS AND ACCELERATIONS.

5.3.1 **NOTICE OF DELAYS.** The Contractor will give the Owner written notice of any delay affecting its prosecution of the Work within three (3) business days of the commencement of the delay. The failure to give the required notice constitutes an irrevocable waiver of the Contractor's right to seek an extension of time and/or additional compensation/damages for the delay. The Owner will determine whether a delay entitles the Contractor to an extension of time. If the Contractor disputes the Owner's determination, then Contractor may submit a Claim pursuant to Article 10 herein. Any extensions of time will only be granted pursuant to the procedures for Change Orders set forth in this Agreement.

5.4 **PROGRESS REPORTS.** The Contractor shall provide weekly progress reports which shall include activities begun or finished during the preceding week, expected completion of activities in progress, activities to be started or finished in the upcoming two weeks, recommendations for adjusting the construction schedule to meet milestone completion, Substantial Completion and final completion dates, and other information requested by Owner.

Such liquidated damages are hereby agreed to be a reasonable pre-estimate of damages the Owner will incur as a result of delayed completion of the Work and shall be in addition to any other remedies available to the Owner. The Owner may deduct liquidated damages from any unpaid amounts then or thereafter due Contractor. Any liquidated damages not so deducted shall be payable by the Contractor to the Owner upon demand. Liquidated damages are not intended to compensate the Owner for any damages the Owner incurs on account of any claims attributable to the Contractor that are brought by others, including separate contractors.

6. CORRECTIVE ACTION. If the Owner determines that the Contractor is not cooperating or coordinating its Work properly with its subcontractors, not supplying sufficient skilled workers, not cleaning up the Project, not furnishing the necessary materials, equipment, or any temporary services or facilities to perform the Work in strict conformance with the Contract Documents, or the Contractor is not on schedule, or is not otherwise performing its obligations under the Contract Documents, THE CONTRACTOR MUST IMMEDIATELY, AND IN NOT LESS THAN FORTY-EIGHT (48) HOURS AFTER NOTICE OF SUCH DETERMINATION, OR SUCH LESSER TIME AS MAY BE PROVIDED IN THE CONTRACT DOCUMENTS, (1) COMMENCE SUCH ACTION AS IS NECESSARY TO CORRECT THE DEFICIENCIES NOTED BY THE OWNER, (2) PROCEED TO USE ITS BEST EFFORTS TO CORRECT SUCH DEFICIENCIES WITHIN FOURTEEN (14) DAYS OF SUCH NOTICE AND/OR, (3) IF THE OWNER INSTRUCTS THE CONTRACTOR TO TAKE SPECIFIED CORRECTIVE ACTION, MUST IMMEDIATELY TAKE SUCH CORRECTIVE ACTION, including but not limited to increasing the number of skilled workers, providing temporary services or facilities, and cleaning up the Project.

8. PAYMENT.

8.1 PAYMENT.

On or before the date of the month specified by the Owner, the Contractor will submit to the Owner, an itemized payment application for such period. Each payment application shall be accompanied by conditional lien waivers and releases from all subcontractors and suppliers to be paid from the payment resulting from the payment application, unconditional lien waivers and releases from all subcontractors and suppliers for which Contractor was required to provide a conditional lien waiver in connection with a prior payment application, and such other data substantiating the Contractor's right to payment that the Owner may require, such as copies of requisitions. Each payment application shall be based on the most recent schedule of values submitted by the Contractor. The schedule of values shall allocate the entire Contract Sum to the various portions of the Work.

8.1.2 The Owner may withhold payment in whole or in part, and may demand that the Contractor refund amounts previously paid, to protect the Owner from loss because of:

- (a) The Contractor's default or failure to perform any of its obligations under the Contract Documents, including but not limited to: failure to provide sufficient skilled workers; Work, including equipment or materials, which is defective or otherwise does not conform to the Contract Documents; failure to conform to the Project time schedule; and failure to follow the directions of or instructions from the Owner;

The Owner may establish a cut-off date for the submission of the payment application.

8.2 RETAINAGE. Retainage applicable to the Contract by Ohio Revised Code Sections 153.12, .13, and .14 will be withheld as required by law. The Contractor agrees that the Owner may deposit funds into an interest-bearing savings account or otherwise track the retained funds, with accrued interest, after the contract is 50% complete, and that this deposit is acceptable to the Contractor in lieu of establishing a separate interest-bearing savings account for the deposit of the retained funds. Contractor further agrees that it will execute any documentation requested by Owner related to the manner in which retained funds are held or deposited for the Contractor.

8.3 FINAL PAYMENT. Following the final completion of the Work, Contractor shall submit a final payment application for the unpaid balance of the Contract Sum and retainage, which shall be due and payable within thirty (30) days following approval of the payment application. At the time of submission of its final payment application, Contractor shall provide the following: (1) an affidavit that there are no claims, obligations or liens outstanding or unsatisfied for labor, services, materials, etc., (2) a general release waiving all claims, (3) operating manuals, warranties, as-built drawings and specifications showing Work as actually performed, variations from the original Contract Documents and the location of any concealed and/or buried items, utilities, mechanical or electrical systems and components, and other deliverables required by the Contract Documents, and (4) such other reasonable and customary documents as necessary for Owner to obtain the required title to the Project which may include all final lien waivers from Contractor and its subcontractors and suppliers. In making final payment the Owner waives all claims except for: (i) improper workmanship or defective materials and failure of the Work to comply with the Contract Documents; (ii) terms of any special warranties required by the Contract Documents; (iii) Contractor indemnity obligations; and (iv) liens, security interests or encumbrances arising out of the Agreement and unsettled. In accepting final payment, the Contractor waives all claims except those previously made in writing and which remain unsettled.

9. CHANGE ORDERS/CHANGE DIRECTIVES.

9.1 A Change Order is a written instrument signed by the Owner and the Contractor stating their agreement upon a change in the Work, the amount of the adjustment or the method for computing the amount of the adjustment of the Contract Sum, if any, and the extent of the adjustment in the Project time schedule, if any. Any Work that is beyond the scope of the Work specified for the Project or that modifies the Work specified for the Project must be approved through a written Change Order signed by the parties evidencing their agreement. If the parties are unable to agree on the terms of a Change Order, and the Owner issues a written change directive or field work order for the Contractor to proceed with the change, the Contractor will proceed to perform the Work without delay, and the adjustment in the Contract Sum shall be determined by the reasonable expense and savings of the performance of the Work resulting from the change. If there is a net increase in the Contract Sum, a reasonable adjustment shall be made in the Contractor's overhead and profit.

10. CLAIMS.

10.1 A Claim is a demand or assertion by the Contractor seeking, as a matter of right, adjustment, or interpretation of the terms of the Contract Documents, payment of money, extension of time, or other relief with respect to the terms of the Contract Documents, provided that the Owner's decision to adjust or withhold payment under Section 8.1.2 will not be considered a Claim. The responsibility to substantiate Claims rests with the Contractor. This Article 10 does not require the Owner to make a claim against the Contractor in order for the Owner to exercise its rights and remedies against the Contractor, including but not limited to the imposition of liquidated damages in accordance with the Contract Documents.

10.2 Claims must be made by written notice.

10.3 If the Contractor wishes to make a Claim for an increase in the Contract Sum, written notice as provided herein must be given before proceeding to execute the Work.

10.4 If the Contractor wishes to make a Claim for additional time, the Contractor must include an estimate of cost and probable effect of delay on progress of the Work. In the event of continuing delay, only one Claim is necessary. If adverse weather conditions are the basis for a Claim for additional time, such Claim shall be documented by data substantiating that weather conditions were abnormal for the period of time and could not have been reasonably anticipated, and that weather conditions had an adverse effect on the scheduled construction.

10.5 The Contractor must make all Claims in writing three (3) business days after the occurrence of the event giving rise to the Claim. Failure to do so is an irrevocable waiver of the Claim.

10.6 The Contractor, within ten (10) days following a written request from Owner, will make available to the Owner or its representative any books, records, or other documents in its possession or to which it has access relating to any Claim and will require its subcontractors, regardless of tier, and material suppliers, to do likewise.

10.7 If a Claim has not been resolved within twenty one (21) days after submission to the Owner, unless agreed otherwise in writing by the parties, the Contractor's exclusive remedy is litigation.

10.8 Notwithstanding the foregoing, and subject to other provisions of the Contract, the Contractor will not be entitled to an increase in the Contract Sum and will only be entitled to an extension of the contract time on account of delay in the commencement or progress of Work caused by acts of nature or the public enemy, acts of the government not arising from the Contractor's failure to comply with applicable law, fires, floods, weather, and labor disputes beyond the Contractor's control.

11. DEFAULT OF THE CONTRACTOR.

11.1 EVENTS OF DEFAULT. Each of the following constitutes an event of default of the Contractor:

11.1.1 (A) The Contractor's failure to perform any of its obligations under the Contract Documents and to proceed to commence to correct such failure within forty-eight (48) hours after written notice thereof from the Owner or such lesser time as is provided in the Contract Documents; (B) The Contractor's failure thereafter to use its best efforts to correct such failure; and (C) Except when an extension of time is granted in writing by the Owner, to correct such failure within five (5) days after receipt of written notice thereof; and/or

11.1.2 The Contractor's failure to pay its obligations as they become due or the Contractor's insolvency.

11.2 OWNER'S REMEDIES. Upon the occurrence of an event of default, the Owner will have the following remedies, which are cumulative:

11.2.1 Order the Contractor to stop the Work, which the Contractor will do immediately;

11.2.2 To perform through others all or any part of the Work remaining to be done and to deduct the cost thereof from the unpaid balance of the Contract Sum or, if the unpaid balance of the Contract Sum is inadequate, to demand reimbursement of amounts previously paid to the Contractor;

11.2.3 To terminate this Agreement and take possession of, for the purpose of completing the Work or any part of it, all materials, equipment, scaffolds, tools, appliances, and other items belonging to or possessed by the Contractor, all of which the Contractor hereby transfers and assigns to the Owner for such purpose, and to employ any person or persons to complete the Work, including the Contractor's employees, and the Contractor will not be entitled to receive any further payment until the Work is completed; and/or,

11.2.4 All other remedies which the Owner may have at law or in equity or otherwise under the Contract Documents.

11.3 **TERMINATION OF AGREEMENT.** The termination of this Agreement is without prejudice to the Owner's rights and remedies, including without limitation the Owner's right to be indemnified by the Contractor.

11.4 **PAYMENTS DUE CONTRACTOR.** If the unpaid balance of the Contract Sum exceeds the cost of finishing the Project, including any costs, expenses or damages incurred by the Owner as a result of the event of default, including attorneys' and consultants' fees and the administrative expense of the Owner's staff, Contractor shall be paid for Work satisfactorily performed. If such costs exceed the unpaid balance, the Contractor will pay the difference to the Owner. The obligations under this Section 11.4 will survive the termination of this Agreement.

12. TERMINATION FOR THE CONVENIENCE OF THE OWNER.

12.1 TERMINATION FOR THE CONVENIENCE OF THE OWNER.

12.1.1 The Owner may, in its discretion and without cause, by written notice to the Contractor terminate this Agreement for the Owner's convenience at any time.

12.1.2 Upon receipt of a written notice from the Owner terminating this Agreement without cause and for the Owner's convenience, the Contractor will (i) immediately cease performing the Work, unless otherwise directed by the Owner, in which case the Contractor will take the action directed by the Owner, (ii) take all reasonable and necessary action to protect and preserve the Work, and (iii) unless otherwise directed by the Owner, terminate all agreements with subcontractors and suppliers.

12.1.3 If this Agreement is terminated without cause and for the Owner's convenience, the Owner will pay the Contractor (i) for Work performed under this Agreement up to the date the notice of termination is received by the Contractor at the rates for Work performed under this Agreement, including overhead and profit for the Work performed up to the date of termination, (ii) for Work performed at the direction of the Owner on and after the date on which the notice of termination is received by the Contractor, as determined by the procedures applicable to Change Orders, (iii) for Work necessary to protect and preserve the Work, as determined by the procedures applicable to Change Orders, (iv) the reasonable and necessary costs of terminating the Contractor's agreements with subcontractors and suppliers, and (v) other costs incurred by the Contractor directly as a result of the termination of this Agreement.

12.1.4 The termination of this Agreement will be without prejudice to any rights or remedies that exist at the time of termination.

13. INSURANCE AND INDEMNIFICATION.

13.1 The Contractor shall, without interruption, maintain all forms of insurance required by law as well as insurance set forth in this Section 13.1 for the duration of this Agreement and for no less than five (5) years after the earlier of the termination of the Agreement or final completion of all Work. The Contractor shall not cancel or allow to expire a policy of insurance without first securing a replacement policy so as to ensure the continuation of coverage. The Contractor's consultants and subcontractors shall similarly maintain such coverage as required by this Section 13.1:

13.1.1 Workers' Compensation Insurance covering the statutory requirements of the State of Ohio.

13.1.2 Employers' Liability with policy limits not less than one million dollars (\$1,000,000) each accident, one million dollars (\$1,000,000) each employee, and one million dollars (\$1,000,000) policy limit.

13.1.3 Commercial general liability coverage for bodily injury and property damage, including limited contractual liability coverage, in not less than the following amounts: (i) General Aggregate Limit: \$2,000,000 each occurrence; (ii) Each Occurrence Limit: \$2,000,000 each occurrence.

13.1.4 Comprehensive Automobile Liability Insurance, including bodily injury, accidental death and property damage with a combined single limit of not less than One Million Dollars (\$1,000,000) each occurrence.

13.1.5 Excess and/or umbrella liability insurance in excess of the Commercial General Liability Insurance shall be obtained and maintained by the Contractor in the amount of Five Million Dollars (\$5,000,000) per occurrence and in the aggregate annually.

13.1.6 Promptly following execution of this Agreement, the Contractor shall provide the Owner with certificates of insurance evidencing the required coverages and amounts, including without limitation any certificates of renewal of insurance. Each policy of insurance required to be purchased and maintained by the Contractor shall name the Owner as a Certificate Holder, and, with the exception of worker's compensation, shall name the Owner as an additional insured.

13.2 Insurance furnished by the Owner, if any, is not intended to and will not cover equipment and materials before they are physically incorporated into the Work or tools. The Contractor bears the entire risk of loss with respect to tools, equipment, and materials. The Contractor will be responsible for providing any builder's risk insurance policy necessary for the Project.

13.3 The Contractor will indemnify, defend and hold harmless the Owner and the Owner's consultants, agents, and employees from and against all claims, damages, losses, and expenses, including but not limited to attorneys' and consultants' fees, arising out of or related to the performance of the Work, including but not limited to the failure of the Contractor to perform its obligations under the Contract Documents, any claims for bodily injury, sickness, disease, or death or to injury to or destruction of or loss of use of real or personal property, claims for additional storage and handling charges, liens against funds, claims related to the alleged failure of the Contractor to perform in accordance with the Contract Documents, and/or claims related to the removal, handling, or use of any hazardous materials. The Owner may set off amounts equal to any sums for which it is entitled to be indemnified from the amounts otherwise due the Contractor under the Contract Documents.

13.4 In claims against any person or entity indemnified under this Agreement by an employee of the Contractor, a subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, the indemnification obligations under this Agreement will not be limited by a limitation on amount or type of damages, compensation, or benefits payable for the Contractor or subcontractor under workers' compensation acts, disability benefits acts, or other employee benefits acts. The Contractor expressly waives any protection or immunity with respect to Workers' Compensation claims related to indemnification given under this Agreement.

14. WARRANTIES AND CORRECTION OF WORK.

14.1 Warranties. In addition to any other warranties, guarantees, or obligations set forth in the Contract Documents or applicable as a matter of law and not in limitation of the terms of the Contract Documents, the Contractor warrants that:

(a) Title to all Work covered by a payment application will pass to the Owner no later than the time of payment and that upon submittal of a payment application all Work for which certificates for payment have been previously issued and payments received from the Owner shall be free and clear of liens, claims, security interests, or encumbrances in favor of the Contractor, subcontractors, suppliers, or other persons or entities that provided labor, materials, and equipment relating to the Work;

(b) Materials and equipment furnished will be of good quality and new unless the Contract Documents require or permit otherwise; and

(c) The Work will be performed in a good and workmanlike manner, will conform to the requirements of the Contract Documents, and will be free from defects.

14.2 Correction of Work. The Contractor agrees to correct all construction performed under this Agreement which proves to be defective in workmanship, materials or not in accordance with the Contract Documents for a period of one year from the date of Substantial Completion or for such longer periods of time as may be set forth with respect to specific warranties required by the Contract Documents. The obligations of the Contractor under this Section 14.2 are in addition to and not in limitation of any other warranty or obligation of the Contractor under this Agreement.

15. CONCEALED OR UNKNOWN CONDITIONS. If the Contractor encounters conditions at the site that are (1) subsurface or otherwise concealed physical conditions that differ materially from those indicated in the Contract Documents or (2) unknown physical conditions of an unusual nature that differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the character provided for in the Contract Documents, the Contractor shall promptly provide notice to the Owner before conditions are disturbed and in no event later than three (3) business days after first observance of the conditions. The Owner will promptly investigate such conditions and, if the Owner determines that they differ materially and cause an increase or decrease in the Contractor's cost of, or time required for, performance of any part of the Work, will recommend that an equitable adjustment be made

in the Contract Sum or contract time, or both. If the Owner determines that the conditions at the site are not materially different from those indicated in the Contract Documents and that no change in the terms of the Contract is justified, the Owner shall promptly notify the Contractor, stating the reasons. If Contractor disputes the Owner's determination, the Contractor may submit a Claim as provided in Article 10, and the time limit for initiating a Claim begins to run on the date the Owner issues its determination.

16. SUBCONTRACTORS. Contractor shall be responsible to Owner for acts and omissions of Contractor's employees, subcontractors, sub-subcontractors (regardless of tier), suppliers, consultants and their agents and employees, and other persons or entities performing portions of the Work for, or on behalf of, Contractor, subcontractors, sub-subcontractors (regardless of tier), suppliers, consultants and their agents and employees. The Owner shall be named as a third party beneficiary under any subcontractor agreement, and the Contractor shall require its subcontractors to name the Owner as a third party beneficiary under the subcontract agreements.

17. TERMINATION BY CONTRACTOR. The Contractor may terminate this Agreement upon written notice for any of the following reasons: (i) the Owner's failure to pay the Contractor in accordance with this Agreement which has not been cured by Owner within ten (10) days of notice from the Contractor of such nonpayment; and (ii) if the Owner otherwise materially breaches this Agreement, and such material breach has not been cured by Owner within thirty (30) days of notice from Contractor of such material breach. Upon termination by the Contractor in accordance with this Article, the Contractor shall be entitled to recover from the Owner payment for all Work executed and for any proven loss, cost or expense in connection with the Work, plus all demobilization costs and reasonable damages.

18. GENERAL.

18.1 MODIFICATION. No modification or waiver of any of the terms of this Agreement or of any other Contract Documents will be effective against a party unless set forth in writing and signed by or on behalf of a party. Under no circumstances will forbearance, including the failure or repeated failure to insist upon compliance with the terms of the Contract Documents, constitute the waiver or modification of any such terms. The parties acknowledge that no person has authority to modify this Agreement or the other Contract Documents or to waive any of its or their terms, except as expressly provided in this Section or as provided in a change directive, field work order and/or Change Order.

18.2 ASSIGNMENT. The Contractor may not assign this Agreement without the written consent of the Owner, which the Owner may withhold in its sole discretion.

18.3 THIRD PARTIES. Nothing contained in this Agreement creates a contractual relationship with or a cause of action in favor of a third party against the Owner.

18.4 LAW AND JURISDICTION. All questions regarding the validity, intention, or meaning of this Agreement or any modifications of it relating to the rights and obligations of the parties will be construed and resolved under the laws of the State of Ohio. The Common Pleas Court for the county in which the Project is located shall have exclusive jurisdiction over any suit which may be brought to enforce any provision of this Agreement or any remedy with respect hereto, except when the U.S. District Court located within the county is determined to have exclusive jurisdiction. The parties waive their right to remove any action filed in a state or local court to federal court.

18.5 STATUTE OF LIMITATIONS. Regardless of any provision to the contrary, the statute of limitations with respect to any defective or non-conforming Work that is not discovered by the Owner will not commence until the discovery of such defective or non-conforming Work by the Owner.

18.6 NOTICES. Notices, requests, or demands by either party must be in writing, unless otherwise expressly authorized, and must be personally served, forwarded by expedited messenger service, sent by facsimile transmission, or be given by registered or certified mail, return receipt requested, postage prepaid. Any party may change its address by giving notice hereunder. All notices, requests, and demands will be deemed received upon receipt in the case of personal delivery or delivery by expedited messenger service, including leaving the notice at the address provided herein during normal business hours; upon the expiration of forty-eight (48) hours from the time of deposit in the United States mail; or, in the case of a notice given by facsimile transmission, upon the expiration of twenty-four (24) hours after the transmission is sent.

18.7 CONSTRUCTION. The parties acknowledge that each party has reviewed this Agreement and the other Contract Documents and has voluntarily entered into this Agreement. Accordingly, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party will not be employed in the interpretation of this Agreement, the other Contract Documents, or any amendments or exhibits to it or them.

18.8 PARTIAL INVALIDITY. If any term or provision of this Agreement is found to be illegal, unenforceable, or in violation of any laws, statutes, ordinances, or regulations of any public authority having jurisdiction, then, notwithstanding such term or provision, this Agreement will remain in full force and effect, and such term will be deemed stricken; provided this Agreement will be interpreted, when possible, so as to reflect the intentions of the parties as indicated by any such stricken term or provision.

18.9 COMPLIANCE WITH LAWS AND REGULATIONS. The Contractor, at its expense, will comply with all applicable federal, state, and local laws, rules, and regulations applicable to the Work.

18.10 PROJECT SAFETY. The Contractor will be responsible for safety at the Project site and will follow all applicable safety and health regulations during the progress of the Project and will monitor all of its employees and its subcontractors for compliance with such safety and health regulations. In undertaking the responsibilities set forth in this Section, the Contractor does not assume any duty or responsibility to the employees of any subcontractor or supplier, regardless of tier. The Owner assumes no responsibility for the development, review, or implementation of the any Project safety plan or for Project safety and has no authority to direct the means and methods of the Contractor.

18.11 EQUAL OPPORTUNITY. The Contractor will not, and it will ensure that its subcontractors, regardless of tier, do not discriminate against any employee or applicant for employment because of age, race, color, national origin, sex, gender, gender identity or expression, transgenderism or transsexualism, sexual orientation, citizenship, ancestry, military or veteran status, marital status, family status, pregnancy, genetic characteristics, disability or medical condition. Such action includes but is not limited to the following: employment, upgrading, demotion, transfer, recruitment or recruiting advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the policies of nondiscrimination. The Contractor will ensure that each of its subcontractors, regardless of tier, will state in all solicitations or advertisements for employees placed by them or on their behalf that all qualified applicants will receive consideration for employment without regard to age, race, color, national origin, sex, gender, gender identity or expression, transgenderism or transsexualism, sexual orientation, citizenship, ancestry, military or veteran status, marital status, family status, pregnancy, genetic characteristics, disability or medical condition.

18.12 ENTIRE AGREEMENT. This Agreement and the other Contract Documents constitute the entire agreement among the parties with respect to their subject matter and will supersede all prior and contemporaneous, oral or written, agreements, negotiations, communications, representations, and understandings with respect to such subject matter, and no person is justified in relying on such agreements, negotiations, communications, representations, or understandings.

18.13 WORK CONTINUANCE AND PAYMENT. Unless otherwise agreed in writing, Contractor shall continue the Work and maintain the approved schedules during any dispute mitigation or resolution proceedings. If Contractor continues to perform, Owner shall continue to make payments in accordance with the Agreement.

18.14 CRIMINAL BACKGROUND CHECKS. Contractor shall perform or cause to be performed an Ohio Bureau of Criminal Investigation and Identification and Federal Bureau of Investigation criminal background check of any person, whether an employee of Contractor or of any Subcontractor, that will perform Work or services or otherwise be present at the Project site and within the proximity of minors. Prior to the performance of any services by such employees, the criminal background check shall be performed and completed at Contractor's sole cost and expense. No person shall be employed on site by Contractor or by any Subcontractor who has been found guilty of any of the criminal offenses enumerated in Ohio Revised Code Section 3319.39 or any equivalent provisions under Federal law or the laws of any of the other states. Contractor shall remove (and shall cause its subcontractor to remove) any person from the Project site found (during the criminal background check or otherwise) to have violated any of the offenses listed in Section 3319.39 of the Ohio Revised Code or equivalent provisions thereof under Federal law or the laws of any of the other states. The foregoing shall not (i) be cause for any claim against the Owner for any reason, including without limitation, interference or delay, and (ii) excuse Contractor or any Subcontractor from meeting the construction schedule.
