

Operations Department

2022 Permanent Improvements (and Other Projects)

ALHS

Parking Lots:

- 6" mill and replacement on South drive (right) / traffic circle / back drive between baseball field and Memorial Stadium
- Chip and seal repairs, overlay, concrete and catch basin repair on North lot between PAC and Maintenance
- Other minor crack filling / striping

Base issues and a need for more drainage on the South drives led to a modification of this project during construction.

ALHS - Paving Projects

South Drives: Before/During

South Drives: After

ALHS - Paving Projects

North Lot: Before

North Lot: After

ALHS

Grounds Management:

- Added stone to walking path and improved path between Memorial Stadium and softball field (right)
- Sidewalks: South Commons repairs scheduled for this week
- Managed trees that presented a danger to people and property:
 - Trees by Kiwanis bench and weight room (safety, security, potential damage to building)
 - Trees at and around Memorial Stadium

ALHS

Safety and Security:

- Exterior bollards (exterior lighting, approach barrier) for which we no longer have replacement parts scheduled for replacement
- Added five (5) more HALO IoT sensor devices to restrooms at ALHS; installed new hallway cameras (with tech dept.)
- These projects are primarily funded by the Ohio Attorney General's Safety and Security Grant

ALHS

Other:

- Caboose renovation - Northern HammerWorks
- An ALCS landmark since the late 1970s (dedicated in the fall of 1984)

Before

After

ALHS

Other:

- Main gym floor refinishing
- Supported lacrosse netting project
- New projector in PAC (in progress)
- HVAC controls replacement (in progress)
- Conversion of science office to classroom space

Eastview

Parking Lots:

- Crack filling and striping

Other:

- Gym floor refinishing scheduled for this Friday
- Playground repairs (in progress)
- Sidewalk repairs scheduled for this Saturday
- New standing freezer installed in kitchen

Erievuew

Parking Lots:

- Asphalt repair / crack filling / sealcoating / striping

Other:

- Supported PTA memorial playground equipment project
- Additional playground repairs (in progress)
- Gym floor refinishing scheduled for this Friday

Learwood

Parking Lots:

- Crack filling and striping

Other:

- Moved Troy kiln to Learwood and vented space properly (upper right)
- Purchased chairs for music program
- Refinished gym floor (lower right)
- Sidewalk repairs taking place this week

Redwood

Parking Lots:

- Crack filling and striping / sidewalk patch

Other:

- Roof repairs (cafeteria/classrooms)
- Drainage ditch repair
- Adding section to swingset for adaptive swings/repairing playground timbers (in progress)
- Significant boiler service/repairs
- Tree removal and safety trimming - whole campus

Transportation

Parking Lot:

- Minor crack filling and striping

Other:

- Ordered four (4) buses (two from Fall '21 and two from Spring '22) - received \$180k in grant funding from the State to purchase
- Completed annual inspections with the Ohio State Highway Patrol in July - OSHP continues to be very complimentary of how we operate

Troy

Parking Lots:

- Asphalt repair / crack filling / sealcoating / striping - staff lot and pathway to playground (right)

Educational Spaces:

- Painted media center and installed Lego wall (lower right)
- Working on outdoor classroom space with Builder's Club and counselor Pat Walsh

Troy

Health and Safety:

- Installed drinking fountain/bottle filler by gym - donated by AL Regional Water (right), and will order another for the cafeteria (grant from Ohio EPA)
- Panic bar installation (75% funded by safety grant from Ohio BWC)
- Playground repairs (in progress)

Westview

Parking Lots:

- Crack filling and striping

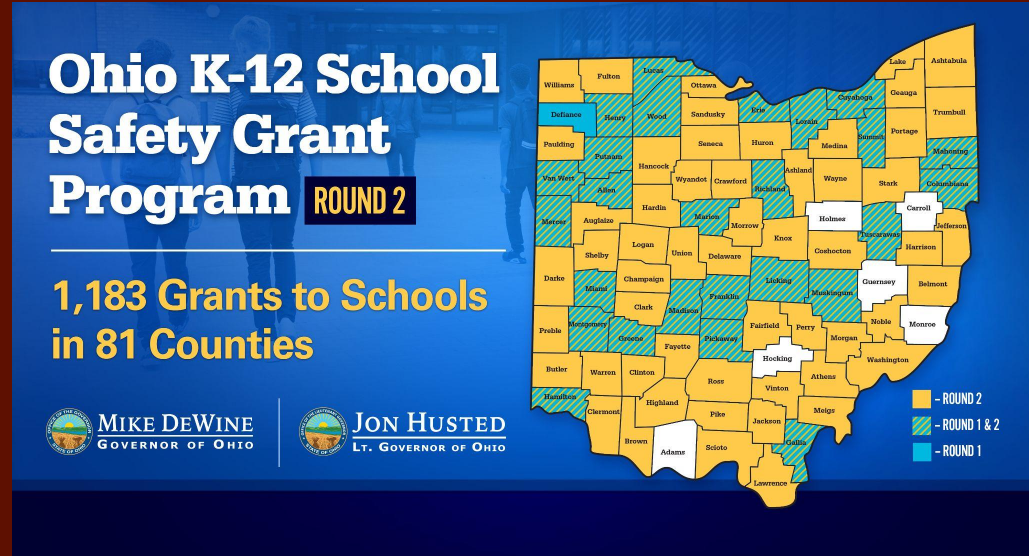

Other:

- Converted lounge/storage space into classroom space (lower right)
- Painted media center (upper right) and water-damaged classrooms
- Playground repairs and installation of adaptive equipment (Girl Scout Gold Award project) in progress

Additional Safety and Security News...

- We applied for funding in 2021 but did not receive any.
- In 2022, Governor DeWine announced that we would be eligible for a portion of our original request.
- We completed an abbreviated application and have been awarded \$262,689.45 (a defined amount for each of our 7 campuses) for safety and security enhancements.

Major Grants: 2022-23

Ohio K-12 School Safety Grant Program:

\$262,689.45 (Safety and security enhancements - all campuses)

HB110 School Bus Purchase Program:

\$180,000.00 (4 school buses)

Ohio Bureau of Workers' Compensation:

\$35,977.50 (Troy/Redwood panic bars)

\$15,000.00 (ALHS HVAC controls upgrade)

Ohio Attorney General's School Safety Grant:

\$19,745.45 (ALHS bollard replacement; other upgrades)

Ohio EPA:

\$10,000.00 (Drinking fountains with water bottle filling stations - all campuses)

Total: \$523,412.40
